Parent school meal taster session

Thursday 3rd October at 3pm

Our chef, Aaron, will be holding a taster session for parents on the above date. If you would like to attend please let the office know so that we can book you in.

There will be some samples of meals that are served from the current menu to taste. Aaron will be available to chat to you about school meals and answer any queries that you may have. Even if your child does not have a school dinner, please come along and have a try – you never know you might be able to persuade your child to give them a try.

Please e mail clerical@coley.calderdale.sch.uk or admin@coley.calderdale.sch.uk or pop in to the school office to book in.

Copley School Hens

On Tuesday morning we discovered that one of the hens laid an egg, this is hopefully the first of many. They must be happy because they are getting plenty of attention. Each class takes it in turn to look after the hens for the week, making sure that they have food and water and are happy and active, I know that they have all been named.

It's really nice to see the children taking an interest in the hens, all 6 have their own little quirky mannerisms whilst they decide who's the boss. I would like to ask politely though that you supervise your children when walking past them to make sure that they do not put anything in the hen enclosure.
