COMPASSION COMMUNITY COURAGE CURIOSITY

Dear Parents,

Firstly I would like to share with you how moved I have been with the acts of kindness I have witnessed all over our school this week. Kindness is something we must nurture in all of our children and grow within our school community. Our 'bucket' is filling up with kindness gems in our reception area. If you are not sure what this means then please ask your child to explain or even better, come into school at the end of the day and they can show you.

*No act of kindness,
no matter how small,
is ever wasted.*

OUR WHOLE SCHOOL VALUE THIS TERM IS COMMUNITY

WE NEED YOU....

Can you help us work towards our Eco Green Flag award? This award is given to schools who are actively working to protect our amazing planet. Please let Mrs Westerwijk know if you could support us to do this?

CLIMATE CHANGE

We had been learning all about plastic pollution and climate change in school and I really wanted to help so when I got home I decided to write out 12 letters to 12 supermarkets asking them to reduce their plastic packaging. I got lots of great responses, including a personal letter from the CEO of Co-Op inviting me to Co-Op Headquarters in Manchester. So on the 15th August me and my Dad went to Manchester to visit Co-Op Headquarters. I had an amazing day which included food tasting, a big tour, talking about climate change and much more. It was an experience I will never forget.

REMINDER

We would be very grateful if you could make sure your child **does not** bring in anything to school other than what they need for their learning that day. It can cause a lot of upset when children lose things and borrow things and learning can be affected. Thank you.

SAFEGUARDING

I would like to remind ALL our parents that no adult (other than school staff) should be in the school building in the mornings. This is for Safeguarding reasons. We expect all of our children (Y1-6) to be independent and provide support to those who may be finding drop off a little challenging. We really appreciate your support in this matter.

ABSENCE

If your child is unwell and not going to be in school, then please call school by 9.15 am explaining their absence. You can leave an answerphone message any time out of office hours if this is more convenient. Please give your child's name, their class and the reason for their absence.

LIBRARY

The library will be open on Tuesday and Thursday mornings before school.
