## Year 3 Class Trip - Winchester Cathedral

Dear Parents & Carers,

We have been invited to spend the morning at Winchester Cathedral on **Wednesday 16th October**. The theme of the morning activities is 'Time Travelling.' Children will travel back in time to find out what the Cathedral has to tell us about the past. There are two activities for the children to complete:

1. The children will hear a story about an Anglo-Saxon and then make a friendship bracelet to take back to school.
2. Tour of Winchester Cathedral, finding out what it tells us about the past.

For the trip, all children will wear usual school uniform and need the following items packed in a small rucksack:

- Healthy snack
- Packed lunch - containing no nuts, chocolates or sweets
- Water bottle
- Waterproof coat

We will leave school promptly after registration so it is therefore requested that children arrive at school at 08:40. If your child suffers from travel sickness, please administer medicine prior to their arrival at school. Should your child need medication for the return journey, please collect a permission to administer medication form from the office which is to be completed and returned to me by Monday 14<sup>th</sup> October. On the day of the trip, the medication should be sealed in a clearly named envelope and handed to Mr Moon at school drop off. We are due to return by the end of the school day.

In order to cover travel costs and workshop fees, we need to ask for a voluntary contribution of £12.00 per child. If there are any financial difficulties, please arrange to see Mr Nightingale. We do need your financial support with this, as without necessary funds, the trip will not be able to go ahead.
