"The true definition of freedom is:

'Freedom is the right to do whatever we ought', and ought implies goal, purpose, morality, and the law of God. True freedom is within the law, not outside it. I am free to draw a triangle, if I give it three sides, but not, in a stroke of broad-mindedness, fifty-seven sides. I am free to fly on condition that I obey the law of aeronautics. In the spiritual realm, I am also most free when I obey the law of God"

Fulton Sheen
