

Dear Parents / Carers,

Scooter Awareness Programme – Year 2 Children

We have been given the opportunity for our Year 2 children to receive Scooter Awareness Training by the East Riding Road Safety Team.

The Scooter Awareness Programme is designed to be one of the first steps in road safety for Year 2 pupils. The programme is also designed to complement the pedestrian and cycle training children receive in later year groups.

The aim is that those children who have received the programme will then be able to scoot to school safely, but **ONLY** under the supervision of a responsible adult.

The programme starts with a 15-minute indoor session and this is followed by a practical outdoor session, (weather permitting) lasting about twenty minutes. Before the practical session the children will be required to congregate in the playground in a designated area where they can assemble their scooters for a safety check and balance assessment.

The outdoor activity will promote control of the scooter and enhance skills. At the same time they will learn the importance of not straying too far from an adult and about basic courtesy when sharing a pavement with other pedestrians.

If you would like your child to take part in this training, please return the following slip to the school office by Monday 30th September 2019.

Thank you for your attention.

Mrs Newby
Headteacher

Year 2 Scooter Awareness 2019/2020

Child's Name: _____ Class: _____

I have paid £2.50 online at <https://www.sims-pay.co.uk>

(please tick)

I have signed the ERYC consent form on the back of this letter in order for my child to take part in the training (NB: the Road Safety Officer will not allow your child to do the training without this).

Parents Signature: _____

PRINT NAME: _____

PRACTICAL SCOOTER TRAINING

INFORMATION AND CONSENT FORM FOR PARENTS

Dear Parent/Guardian,

The East Riding of Yorkshire Councils Scooter Awareness Programme is due to take place within the school grounds.

The training consists of a short road safety presentation in the classroom followed by an approximately 30 minute session on the playground where children will learn some safe scooting skills through fun activities.

A scooter will be required for those children wishing to participate and safe footwear and warm clothing is recommended.

If you wish for your child(ren) to participate please complete the consent form below.

If you have any queries regarding the scooter training please contact:
Angela Merrills Tel: 01482 395610 or email road.safety.training@eastriding.gov.uk

If you wish your child to participate please fill in the attached consent slip and return to the school.

Please complete this section and return to school before if you wish your child to participate.

My child (name of child) to take part in the Scooter Awareness Programme.

I am aware my child will need a scooter for this training.

Signed

(Parent/Guardian)

Checking your scooter

A detailed illustration of a silver scooter with a teal deck and yellow wheels. Five orange circles highlight specific parts: the handlebars, the stem adjustment mechanism, the front wheel, the deck, and the rear wheel. Lines connect these circles to five text boxes on the right.

Check the handles are locked in the correct position

Make sure the scooter stem is adjusted to the correct height and locked into position, with all latches attached

A working brake must be in place

When opened out, make sure the scooter stem is locked into position and all latches are attached

Make sure all screws and latches are attached and tightened securely
