

Dear Parents / Carers,

### **Pedestrian Skills Training – Year 3/4 Children**

The Council is again offering all year 3/4 pupils Pedestrian Skills Training. **As with the Cycling Training there will be a small charge to go towards the cost of running the scheme, this will be charged at £2.50 per pupil.** A letter from the Council is attached with this letter asking you to provide written permission for your child to take part in the training.

The training will commence with a half hour indoor lesson with a power point presentation, green cross code training and a question and answer session. This will teach the children the basics of how to cross the road safely. Following on from this will be live road training, which entails taking small groups of children out (4 children to 1 instructor) onto the road and showing them the safest way to cross at junctions and between parked cars.

At the end of the training the children will receive a certificate, Get Ready for the Road Booklet.

**In order to secure a place on this course, please return the following slip to the school office by Monday 16<sup>th</sup> September 2019.**

Thank you for your attention.

# PRACTICAL PEDESTRIAN SKILLS TRAINING

## INFORMATION AND CONSENT FORM FOR PARENTS

Dear Parent/Guardian,

Your child's class is being taught pedestrian skills through a course organised by East Riding of Yorkshire Council.

Unfortunately many children are not taught this vital lesson until it is too late, and their parents learn the hard way.

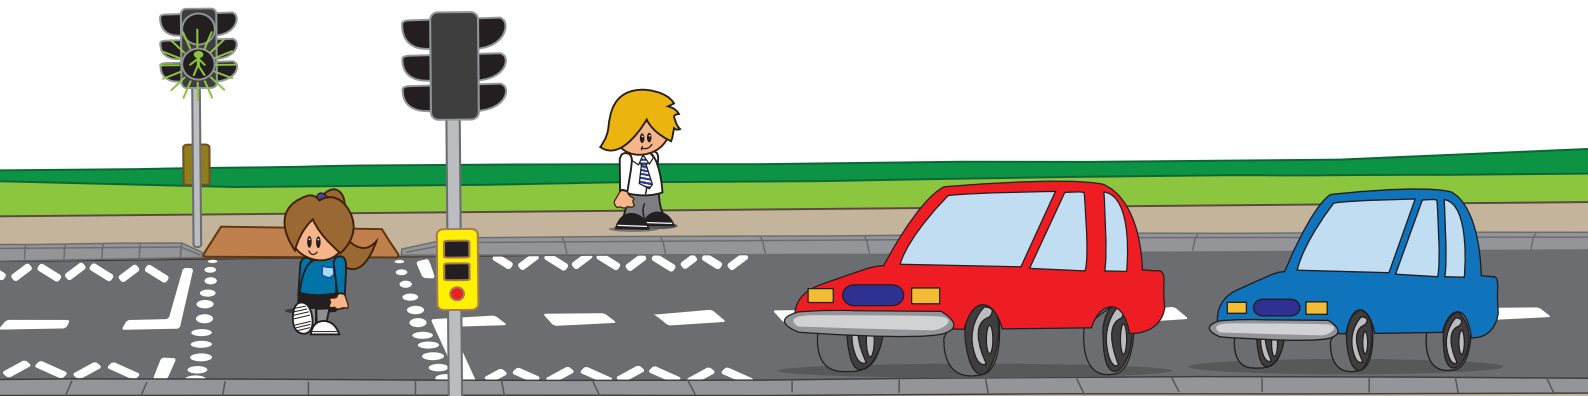

Part of the training will take place in the classroom, however the important part of the training will be out of school, at the road side, under strict supervision.

To take your child out of school we need your written permission. Please fill in the slip below if you wish your child to take part in the training. In addition to the training your child will be given materials designed to help him/her.

The council is committed to reducing child casualties, therefore please take the time to complete the slip below. Thank you in anticipation of your co-operation in this matter.

If you have any queries regarding the pedestrian skills training please contact:  
Angela Merrills Tel: 01482 395610 or email [road.safety.training@eastriding.gov.uk](mailto:road.safety.training@eastriding.gov.uk)

If you wish your child to participate please fill in the attached consent slip and return to the school.

I give consent for my child  (name of child) to take part in Pedestrian Skills Training, including a session of practical training out of school.

Signed

(Parent/Guardian)
