25<sup>th</sup> Oct: Annual Reviews

- September has been a busy month as we all got to know each other and get used to our new routine. Everyone has settled well into the new term, and are coping with their new responsibilities in class.
- This year our topic is 'We're Going on an Adventure' with this term starting with 'Our Local Adventure'.
- We had fun painting our self-portraits, making name collages, learning about our five senses and our emotions and exploring that everyone is different!
- In PDMU we have been exploring who we are, identifying our likes and dislikes and learning how to be a good friend.
- In September we had our first Shared Education day – Icebreakers – here in Tor Bank. We had great fun playing parachute games, joining in with drama games and sharing what we would like to learn across the year.
