

Review of Planned Expenditure for PE Expenditure 2018-19

1.	PE resources are well stocked with a large array of equipment which means that all PE lessons run effectively and all children benefit from appropriate equipment.
2.	PE Coach has a significant impact on quality of PE within the school. Lessons observed have been of a high standard with pupils making very good progress. Staff have reported that he has helped them to grow in confidence and expertise whilst teaching PE. His impact on clubs and extra-curricular activities has been considerable and alongside the PE subject leader, he has entered pupils into a great deal of local sporting events, achieving much success; our footballers in every age group have won most of their matches and tournaments and our Year 6 boys reached the Hampshire finals in the autumn. Our pupils also did really well in athletics and tri-golf and reached the District finals at the Aldershot Military Stadium in June. Our Yr3/4 team also came second in the Overton Tag-rugby tournament and our Yr 1 football team reached the semi-finals of the Basingstoke Yr1/2 football tournament. Our work in sport has been recognised by achieving a silver medal from the School Games Association.
3.	PE coach continues to run daily breakfast activity club meaning that pupils have the opportunity to start each day being physically active. The number of participants has steadily increased and the club regularly has in excess of 20 children attending.
4.	As point 2.
5.	As point 2. Clubs last year included: Football academy, netball, tag-rugby, boxercise, multi-skills, athletics and cricket
6.	The football academy was launched last year, catering for over 100 pupils from EYFS to Yr 6. All year groups (except EYFS) had the opportunity to play in competitive games against other local schools, with both boys and girls participating.
