

Year 1

Sandbrook Primary School

Autumn

Miss Lord - Class 1S
Mrs Ramsbottom - Class 1C
Mr Shanks - Class 1P

CHANGES ALL AROUND US

Maths

The children will be focusing on sorting objects into groups based on height, size, colour and much more! We will then look at place value within 10 and 20 before moving onto geometry.

Writing

This term's focus is Rapunzel. Year 1 have already produced amazing work surrounding castles and will now develop this further with the help of Rapunzel. We will be creating actions to the book to recount the full story. We will also be focusing on writing sentences with full stops, capital letters and finger spaces. Please make sure your child can write their full name, as this helps tremendously within lessons.

Reading

We will continue to develop our comprehension skills with a focus on using evidence from the text to support our ideas. Try this at home too!

Science

Our topic this half term is Materials. We will be focussing on everyday materials allowing us to identify and distinguish the groups which they come from. We will also look at the physical properties of the materials and draw comparisons between different groups of everyday items.

Computing

We will be focussing on Internet Safety within our first unit and ensuring that our children know how to use computers safely, both in school and at home.

Creative Curriculum

We will be looking at making and designing castles in different materials eg. junk modelling, playdough and clay. Year 1 will also be focussing on the work of Wassily Kandinsky and producing amazing pieces of art throughout the Autumn term.

Music

The children will be introduced to pitch and dynamics as well as creating their own instrument.

PE

The children will be practising basic game-playing skills including throwing and rolling. Next half term they will be completing gymnastics.

RE

This term's topic is Christianity and we will be focusing on why the Bible and Jesus are special.

PSHE

We will be learning about sun safety, food associated with different cultures, and playground games from around the world.

Phonics

*We will be learning new words, recapping set 1, 2 and 3 sounds and developing our writing through these daily phonics sessions in preparation for the phonics screening test on the **8th-12th June 2020**. Please ensure children are in school within these dates.*
