25th September 2019

Dear Parent/Carer,

As part of the North West Leeds School Sports Partnership, we have been invited to take part in an Aqua Festival for Year 4 children on Wednesday 18th December from 9.15-11.15am. We acknowledge this letter is extremely early but we need to submit exact numbers for each event!

The Aqua Festival will cater for all abilities from non-swimmers to advanced, allowing children of any ability to participate, although numbers are restricted due to health and safety reasons.

More advanced swimmers will be playing water polo in the deep end, whilst a variety of races will take place in the shallow end. No prior experience of water polo is required, and the main emphasis of the whole festival is on fun and participation

If your child is interested in taking part, please return the interest slip below by **Monday 30th September**. Please take care when filling in the tick boxes as we must have an accurate understanding of your child's confidence in water prior to this event. The amount of children we are able to take is limited therefore after the closing date, we will inform you by Wednesday 2nd October if your child is or is not able to take part.

Further details including transport arrangements will be sent out after half term.

Kind Regards,
Miss Adair
