

Featherstone All Saints CofE Academy  
Long-term curriculum overview

**Year: 5 - Autumn term**

**Theme: Measly Middle Ages**

Subject:	Breadth of study:	Cross curricular links:
Science	<p>Autumn 1: Earth and Space</p> <ul style="list-style-type: none"> <li>- Describe the movement of the planets including Earth around the Sun and the Moon around the Earth.</li> <li>- Explain how day and night occurs and the apparent movement of the sun across the sky.</li> </ul> <p>Autumn 2: Animals including humans</p> <ul style="list-style-type: none"> <li>- Describe the changes as humans develop to old age.</li> </ul>	<p>Design and Technology - Design, construct and make 'Orbiters' using woodwork techniques.</p> <p>Art and Design - Children will produce artwork based on the paintings by Peter Thorpe.</p> <p>English - Study of the novel 'Cosmic'.</p> 
Computing	The children will learn how to use the Adobe Spark Video / Imovie app.	
Religious Education	<p>Autumn 1: The children will explore the question - What does it mean if God is holy and loving?</p> <p>Autumn 2: The children will explore the creation and how religion and science can both conflict and complement each other.</p>	
History	<p>The children will study the period of English history from 1066AD to 1485AD.</p> <p>They will complete in depth study of the Battle of Hastings by using the Bayeux Tapestry as a historical source.</p> <p>The children will also learn about the</p>	<p>Children will produce artwork based around the Bayeux Tapestry.</p> 

	Magna Carta and the impact it had on British law even now as well as other important events that happened during this period.	
Geography	The children will identify and describe the geographical significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, and time zones (including day and night).	Science - Understand why day and night happens and why countries have different seasons.
Physical Education	During the autumn term, the children will be developing their skills through Netball, Outdoor Adventurous Activities, Dodgeball and Dance.	
Design & Technology	The children will design, construct and make 'Orbiters' using woodwork techniques. The orbiters will have moving parts and the children will have to create a mock up to ensure those moving parts work correctly. They will evaluate their final product.	
Art & Design	<p>The children will produce artwork based around the Bayeux Tapestry. They will look at how to create how the soldiers and horses etc. were depicted in the tapestry and will use acrylic paint to recreate a section.</p> <p>The children will produce artwork based on the paintings by Peter Thorpe. They will explore techniques to recreate his style and then compose their own final piece based on Earth and Space.</p> 	

<p>Music</p>	<p>Samba:</p> <ul style="list-style-type: none"> <li>- Accurately copy back &amp; play simple 8 beat phrases</li> <li>- Recognise and play crotchet, quaver, semi quaver and minims</li> <li>- Improvise short repeated patterns</li> <li>- Use their voices with increasing accuracy, fluency, control &amp; expression</li> <li>- Perform to an audience and be able to make a good appraisal</li> <li>- Accurately respond to a variety of signals including call &amp; response</li> <li>- Compose &amp; play short word ostinatos of up to 2 bars</li> <li>- Perform a simple piece that includes singing &amp; playing at the same time.</li> <li>- Perform a simple piece that includes dancing &amp; playing at the same time use a variety of techniques including rest, open strokes &amp; dampening</li> <li>- Play a longer samba piece with grooves, breaks &amp; signals/calls</li> </ul>	
<p>Languages</p>	<p>French:</p> <ul style="list-style-type: none"> <li>- Children will extend their listening, speaking, reading and writing skills through immersion in the French language.</li> <li>- They will continue to develop understanding and use of the language.</li> </ul>	

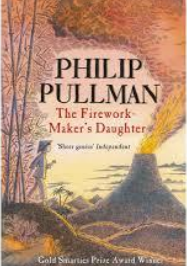

Featherstone All Saints CofE Academy  
Long-term curriculum overview

**Year 5 - Spring term**

**Theme: The Shang Dynasty**

Subject:	Breadth of study:	Cross curricular links:
Science	<p>Spring 1: Properties of materials</p> <ul style="list-style-type: none"> <li>- Compare, sort and group materials based on their properties.</li> <li>- Use knowledge of solids, liquids and gases to describe and explore how mixtures/solutions can be made and separated.</li> <li>- Investigate reversible and irreversible changes using a range of tests.</li> </ul> <p>Spring 2: Forces</p> <ul style="list-style-type: none"> <li>- Investigate and explain different forces including: gravity, air resistance and friction.</li> </ul>	Maths - Measures
Computing	The children will continue to develop their coding skills to create a game on Scratch.	English - grammar.
Religious Education	<p>Spring 1: The children will study the religion of Islam.</p> <p>Spring 2: The children will explore what Jesus did in order to save human beings.</p>	
History	The children will learn about the achievements of one of the earliest civilizations - the Shang Dynasty.	<p>Art - The children will complete Chinese inspired artwork using pencil sketches and pen and ink.</p>  <p>English - The children will study the novel <i>The Firework Maker's Daughter</i> by Phillip Pullman</p>

		
<p>Geography</p>	<p>The children will analyse statistics and other information in order to draw clear conclusions about locations.</p> <p>The children will also name and locate some of the countries and cities of the world and their identifying human and physical characteristics, including hills, mountains, rivers etc, with a specific focus on China.</p>	<p>Maths - Data handling.</p>
<p>Physical Education</p>	<p>During the spring term, the children will be developing their skills through Tag Rugby, Gymnastics and Football.</p>	
<p>Design &amp; Technology</p>	<p>The children will create a short pop-up book about a particular topic TBC.</p> 	<p>This could be linked with an area of science or history - TBC.</p>
<p>Art &amp; Design</p>	<p>The children will complete Chinese inspired artwork using pencil sketches and pen and ink.</p> <p>The children will also create sculptures inspired by objects that have been discovered from the Shang Dynasty with a particular focus on recreating a 'bronze' effect.</p> 	

Languages

French:  
- Children will extend their listening, speaking, reading and writing skills through immersion in the French language.  
- They will continue to develop understanding and use of the language.

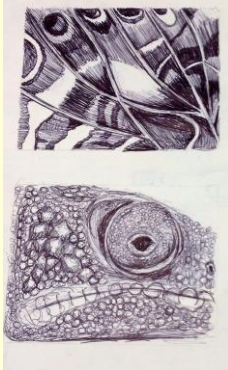

Featherstone All Saints CofE Academy  
Long-term curriculum overview

**Year 5 - Summer term**

**Theme: World War Two**

Subject:	Breadth of study:	Cross curricular links:
Science	Summer 1: Living things - Describe the differences in life cycles. - Describe the life process of reproduction in some plants and animals.	Art and Design: The children will use a view finder to draw still life or sections of a still life/object. 
Computing	The children will continue to develop their computing skills by using Lego Mindset.	
Religious Education	Summer 1: The children will study how following God can bring justice and freedom.  Summer 2: The children will explore why some people believe in God and why some people do not.	
History	The children will complete a study of World War 2.  They will focus on the causes for war and major events that happened during the conflict.  They will also look at the roles of women during the war (including propaganda used to encourage women to join the war effort) and how children were evacuated.	English: The children will study the novel of Friend or Foe by Michael Morpurgo. 
Geography	The children will use maps and atlases to identify countries involved in WW2 and be able to locate these. They will look at and	

	<p>discuss why particular areas (like cities and air fields) were targeted by the enemy in order to win the war.</p>	
Physical Education	<p>During the summer term, the children will be developing their skills through Rounders and Athletics.</p>	
Design & Technology	<p>The children will cook/bake from recipes from WW2 which will help them to understand rationing.</p> <p>They will then adapt and create their own recipes.</p>	History: rationing.
Art & Design	<p>The children will use a view finder to draw still life or sections of a still life/object. They will use a selection of materials including pencils, chalks and oil pastels.</p> <p>The children will explore the charcoal sketches of Henry Moore completed during WW2.</p>  <p>They will develop their skills at drawing the human form in different positions more accurately.</p>	<p>Science: Living things</p> 
Languages	<p>French:</p> <ul style="list-style-type: none"> <li>- Children will extend their listening, speaking, reading and writing skills through immersion in the French language.</li> <li>- They will continue to develop understanding and use of the language.</li> </ul>
