Safeguarding

We would like to remind parents/carers that we take the safeguarding of your children very seriously in school. Safeguarding is everyone's responsibility and, should you have any concerns about a child, the Designated Safeguarding Lead is Miss Kelly, and in her absence, Mrs Barker or Mrs Lindley.

The designated teacher for looked after and previously looked after children is also Miss Kelly.

MATHLETICS

Thank you for your support with Mathletics homework; the feedback has been very positive so far.

You can get further involved, by logging in yourself. That way you can keep a track on your child's progress and download any certificates, to celebrate their successes. Please see the attached sheet detailing how to join.

HARVEST FESTIVAL

Our harvest festival will be on the last day of this half term and we are again supporting the Holme Valley Foodbank. Children are asked to bring donations of non perishable goods to school on the day.

The top ten needs are long life milk/fruit juice, cereal, tinned fruit, tinned rice pudding, instant mash, pasta sauce, tinned tomatoes, pasta or rice, tinned meat/fish and toiletries such as toothpaste.

Thank you for all your support.

CONTACTS

If you or any of your emergency contacts have moved house or changed phone numbers over the summer, please can you let the office know. It is really important if we need to contact you about your child.

Thank you

ABSENCES

- Unplanned absence - please remember to inform the office by 9.15am on the day. If we do not receive a message, we will follow our first day calling procedure.
- Planned absence – please complete an absence request form in advance
- Doors open 8.50am. Morning registration is at 8.55am. Afternoon registration is 1.00pm. Pupils arriving after these times will be recorded as late.

LABELLING SCHOOL UNIFORM

We have an increasing number of items of unnamed uniform. Please can we ask parents/carers to clearly label all items of uniform as we can only return lost uniform whose items are named. Please note that going forward all unnamed items will be disposed of every fortnight as we have lots of items left outside which come in to school wet and dirty.

Your child has take-home access to Mathletics – they simply sign in with their school username and password using any compatible computer or mobile device.

The extra Mathletics practice at home can make all the difference to your child's progress. Encourage them to achieve a weekly target of 1000 points to earn a certificate, building through bronze, silver and gold across the school year. Go for gold!
