## Swans' Curriculum Newsletter Half Term 1

### Dear Parents

It was such a pleasure to welcome your child into Year 4 at the start of this week! This is an extremely important year as a lot is expected of the children and they will have many opportunities to demonstrate their maturity by becoming role models for the rest of the school. The time will pass so quickly and I am keen to ensure that your child gains all the skills they need to prepare them for the next step in their education.

The Swans will be busy this year and I detail below some important dates for your diary:

This term:

- Thursday 14th November to Friday 15th November - Overnight Residential Trip to Malvern.

Looking further ahead to after Christmas:

- Easter Production – Year 3 and 4 (Date TBC)
- Thursday 25th June -Bellboating Regatta

I will be teaching the children throughout the week, assisted by Miss Weir, with the exception of Wednesday, when Miss Herbert and Mrs Crawford will be teaching. Your child will therefore be benefiting from the expertise and skills of different teachers throughout the year. However, if you have any concerns during the school year, please come in to see me as your child's class teacher in the first instance.

Your child has already been issued with a timetable in the front of their Homework Diaries. This half-term we shall be studying the Bronze/Iron Age as our topic and if your child has any books or relevant information about it, it would be lovely if they could bring them into school to share with the rest of the class. In Science we will be learning all about Electricity.

I do not wish to overload you with information at this stage. To this end I would like to invite you to a meeting in Year 4 on Friday 13th September at 2.45pm when I shall go through more of the day to day issues. I appreciate that some of you may not be able to attend at this time, so I shall send home a summary of the main items covered. In addition there will be a regular pop in session available every Monday from 3.20-3.30pm if you need to speak to me. I am really looking forward to teaching your child this year and to building a positive partnership with you, so that together we can do the very best for your child.

Kind regards

Miss Yates  
Class 4 Teacher
