

Lions and Tigers September 2019

The children have all made a fantastic start to their school career. Independently coming in in the morning, being responsible for their belongings and lunches, singing the register, working with friends. In the first half term/term we will focus on the Prime areas of learning (PSED, C&L and PD) before we introduce and focus more on the Specific areas (LIT, Maths KUW and EAD).

We have been really impressed with how confident the children are when speaking in front of the group and to one another when playing cooperatively. Everyone can already sing the register, they have really enjoyed listening and responding at story time and sharing news at snack time.

We have also been really impressed with how great the children are at accessing our building, bike riding, sand play etc. as well as their increasing fine motor skills in painting, peg handling, scissor use.

We will be starting PE soon, we have begun introducing the children to phonics, one sound at a time and will start to teach maths with a focus on number sense. We will keep you updated via the daily scribe.

We will be sending home these sound sheets once we have learned each block of sounds...and reading records - and we encourage you to read with your child daily...

If you are interested in helping at Forest School please sign up on the list by the door.

Diary dates:

Phonics and Maths workshop after half term.

Big Art afternoon Wednesday 23rd October.

Please follow us on Twitter and please continue to engage with Tapestry. Any problems logging in please let us know on the door.

Many thanks

The Foundation Team
