

Year 5 Menu - Autumn

By the 11th November you need to have completed the tasks set below— a starter, one main course, one dessert and one drink. All work must be handwritten, so make sure you pay attention to your presentation, particularly your spelling, punctuation and grammar—this is partly what your work will be marked on. All participants will receive 25 house points with the best entry from each class receiving a £5 Tesco voucher.

Starter

An acrostic poem is when you use the first letter of each line to spell something out. Write an acrostic poem using your first name— try to add adjectives and adverbs that describe you.

S is for someone who always plays football

A is for astronaut, something I'd like to become

M is for maths, my favourite subject at school.

Who is this poem about?

Main Course

Meat Option

In Science we are studying the Earth and Space. Make a model of at least one of the planets and design a fact sheet to tell us a bit about it. You could list its size, how far away from Earth it is, which planets are near to it amongst other things.

Vegetarian Option

In Art we are going to be looking at Still Life—this is when we draw items such as fruit, flowers and artefacts. Arrange some objects and then draw them. You could take a photograph of the items so that we can see what you were drawing or painting. Look at famous artists such as Van Gogh and Cezanne for some ideas.

Desserts

Choice 1— Imagine you were chosen to accompany Tim Peak on his last mission to the International Space Station. **Write a diary** entry for the week leading up to your launch. How do you think he would feel—would he be nervous, excited worried?

Choice 2— In English you are reading Gangsta Granny. Think about how David Walliams describes granny and how this helps you picture her in your head. If he had written a book called Gangsta Grandpa what would this character have been like. Write a character description of grandpa that tells me everything I need to know about him.

Drinks

SMSC— **Choice 1**— Online Safety—What are the rules about staying safe online? What are the key facts that we need to remember? Create a poster explaining these rules—make it clear and colourful. We could use it in the IT room.

SMSC—**Choice 2**— Bonfire Night is coming up soon— what are the rules for staying safe at this time of the year? What are the key rules we need to remember? Think about creating a leaflet that we could use with Key Stage 1 to help them make the right choices on the 5th November.
