

# Oak Lodge EYFS Weekly News

Autumn term—Week ending 27.09.19

Dear Parents/Carers

Welcome to Oak Lodge Primary School! This is a very exciting year for both your child and the school. The children have settled in very well and are ready to start their fantastic journey at Oak Lodge.

Each week you will be receiving a newsletter via email informing you about what the children have been learning in school. At the end of the newsletter, there will be a challenge for you and your child to do together. Sometimes this will be verbal and sometimes this will be written. We hope that you enjoy the challenges.

A polite reminder that hometime is 3.25pm, please collect your child on time and wait in a line away from the classroom windows as this distracts the children.

Many Thanks

EYFS Team

## Prime Areas

We have been focusing on speaking and listening skills and sharing a variety of stories.

Children have been learning their friend's names during carpet time and talking about the class and school rules.

The children have really enjoyed Forest School this week. They went on a bear hunt and learnt all of the rules to keep safe in our woodland.

## Specific Areas

In Literacy, we have been reading 'We're Going on a Bear Hunt' and the children loved acting out the story.

In Numeracy we have been assessing the children so they have had fun counting and recognising shapes.

The children will begin to practise recognising and writing their names using pre-cursive script next week.

## This Week's Challenge

In your son or daughter's book bag you will find their reading record and their first book to read at home with you. Please ensure that you read with your child at least 3 times per week and write a comment in their reading record. Please also keep water bottles out of their book bag as these sometimes leak and as a result ruin our reading books.
