We are looking for donations

Tins of brightly coloured paint, suitable for wood and outdoor use, are required to brighten up the garden planters near our polytunnel area in the Infant playground. If you have any paint that you do not require could you consider donating it to school please? They don't have to be full tins, part filled tins are most acceptable. Many thanks for your support.

Lost Property

We are only 4 weeks into the new school year and we already have a lot of children who have lost jumpers, cardigans and coats. Could all items of school uniform please be clearly marked with your child's name. If everyone could have a quick check at home to see if your child may have brought home someone else's property this would be a great help.

Thank you.

Water Damaged Books

Unfortunately we are having a lot of our lovely new reading books damaged in the transit from school to home and vice versa due to leaking water bottles in children's bags. These books are then very often deemed as unusable as the paper is so badly damaged. Please take care with water bottles in bags. Thank you for your understanding.

Many thanks for your ongoing support.

Cash4Coins

Next week is the last week for our cash4coins. Any foreign coins/notes, old or obsolete currency are welcome. We will be getting this weighed in after next week.

Thanks for your continued support to raise funds to install a new fence around our garden area.

Playground conduct

We have recently received a number of parental complaints regarding some of the language being used by parents and carers when dropping off/collecting children from school. We would like our children to learn in a calm and respectful environment from the first minute of their school day to their last. Could all parents and carers please be mindful of the language they use on the school site and contact a member of staff should you witness the use of any language that is unacceptable.

Anti-Bullying Policy

We would like to remind everyone that here in school we do not tolerate any child being unkind or aggressive to other children. We DO NOT encourage children to 'Hit back' if they are hit/hurt by someone else. We kindly request that parents/carers promote our policy at home also.
