Our new room - HEBBLE

Our new sensory/quiet room is now open and has been named Hebble. We have created a quiet, safe space for children to reflect, relax and enjoy the many different sensory aspects of the room. We have lights, bubble machines, feely bags and more. We are looking forward to introducing our children to this space and will continue to add to it when we can, in response to the children's needs. The room can be used by any of our pupils who may need a safe space to talk.

Thank you to FOCSA and the parents at school for providing the funding to get our sensory room up and running.

School Councillors

Copley school council elections took place on Thursday morning. Congratulations to our new councillors.

Macmillan coffee morning

Thank you to everyone who participated in our charity coffee morning, whether you baked, had a coffee, bought buns or gave a donation, you all helped to raise over £130 (so far). Thank you.

Chair of Governors

Hi - I'm Stacey Jeffs and I've recently been elected as the new Chair of Governors for the school following Gemma's resignation this summer. I have been a co-opted governor for our federation of Copley and New Road schools for the last 4 years, with the last 18 months as vice chair. The role of the governing body is to help shape the strategy for the school, provide challenge and oversight of the school's performance and make sure the school's budget is properly managed. We have a very strong team of governors whom have a wide breadth of skills and experience to help with the success of the schools. If you have any questions about the role of the governing body than do please feel free to contact me at sjeffs@copley.calderdale.sch.uk

New members welcome.

On Thursday 10th October the children in year 5 will be joined by a grandparent for the school roast dinner.

This is in celebration of Grandparents day which will be on 1st October.

Please return your lunch request as soon as possible and we look forward to seeing you on the day.

Parking Issues

We have received an email on behalf of the residents living on Copley Close, directly opposite the school. Please can parents and carers visiting the school ensure they do not park either in the driveway; in front of the garages or on the grass at Copley Close. The Close and adjoining grass land is privately owned by the residents and parking is for residents only. The layby is public access but not the rest. Residents are being blocked in by parents parking inconsiderately and we are asking for your co-operation with this matter. Please park considerately of residents and business'. Thank you.

FOCSA Film Night

Please ensure you have returned your request slip by Wednesday 2nd October. Thank you.
