

Message from Mr Merry

Thank you for helping us to have a very peaceful start to the term. The children have settled well into their classes and routines are being successfully established. The days are working well although we still have a few children without names in their school uniform. I am really pleased to see so many pupils wearing correct school uniforms and PE Kit. Thank you.

Parents Evening

You should have received a letter about Parents Evening today – please ensure that you return your appointment availability as soon as possible.

Harvest Festival

Harvest Festival will take place on Monday 7th October. Miss Frearson will lead an assembly for the children. This year, we are asking the children, parents, friends and family to bring their donations of produce and food in a decorated basket or as individual items, starting with tinned items. As part of our charitable work all items collected will be donated to worthy causes and individuals in our own local community. We would be grateful if baskets / boxes are brought into school on the week commencing 30th September, ready for Monday morning's assembly. Please remember that the basket / box will be donated to worthy causes with in our local community, so please don't send any container that you wish to be returned! Thank you! – Your support with this event is much appreciated and all concerned would like to thank you for your help and support in advance.
