

Nursery cycle 2 2019

What we are learning this half term

Our topic question is: "What can you see?" We will be learning about colours, the five senses - sight, taste, smell, hear and feel.

Our book for Literacy is: 'Brown Bear, Brown Bear, What do you see?' By Bill Martin.Jr

In Maths we will be working on: matching numbrs and objects (three is the same as 🍦🍦🍦), show an interest in representing numbers (show me two teddy bears), knows that numbers identify how many objects are in a set (can count two objects and know that there are two there) and shows awareness of similarities of shapes in the environment (clock - circle, door - rectangle).
