P.E. and Sport Premium Grant Statement – September 2019

At Higham St John's C E Primary School, we are committed to providing high quality sports provision. We receive an additional grant to our budget which is targeted at improving both the quality of P.E. teaching and providing good access to sporting activities outside of the normal school day.

How did we spend this grant in 2018/19?

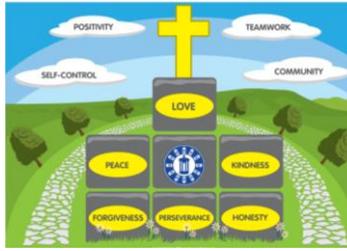

The Sports Premium was received in the school budget in two payments; one on the 30th October 2018 and one on the 30th April 2019. The following provides an overview of how we allocated this income in order to provide extended sports provision in our school:

Sports Income Description	Approximate amount
Grant received	£17,220.00
Contribution added from Pupil Premium Grant	£1,000.00
Contribution from school budget for P.E. resources	£500.00
Contribution from school budget for swimming	£3,250.00
Total P.E. Income:	£21,970.00
Sports Expenditure (including Grant)	Approximate break down of costs incurred
Sports Cool! Provision	£7,200.00
School subsidy for after school sports clubs	£1,080.00
Sports Partnership Fee (Pendle Vale)	£1,645.00
Transport Costs (tournaments)	£600.00
Patterdale residential Pupil Premium subsidy	£450.00
Fencing Education	£350.00
Judo Education	£850.00
Resources / P.E. costs	£500.00
Playleaders Playground Equipment	£300.00
Playground storage and equipment	£1,000.00
Outdoor adventure activity days x 3 (NB: to be rolled forward and arranged early 2019/20)*	£3,000.00
One Goal Aspirations Days x 3	£995.00
New P.E. scheme plus staff training	£750.00
Swimming lessons	£3,250.00
Total P.E. and Sports Expenditure	£21,970.00

* This expenditure is planned for early 2019/20; the intention is to arrange for onsite / offsite adventure activity days delivered by qualified coaches from LCC outdoor centres or other locally approved providers.

How do we intend to spend this grant in 2019/20 to improve sports provision?

The Sports Premium Grant allocation for 2019/20 will be received in two installations: 30th October 2019 and 30th April 2020. Further information will be released from the DfE in due course and subsequently this will be published in greater detail on our website. In summary, we intend to commit to spending the grant in the following ways:

- Continuing to provide high-quality sports coaching delivered by Sports Cool on a Monday and Thursday both at lunch time and after school
- Continuing to fund the Sports Partnership which enables children to participate in inter-schools sporting competitions such as football and netball
- Continuing to subsidise sports clubs such as Sports Cool, fencing and judo
- Widening opportunities in sports participation by enabling children to try new sports such as climbing, orienteering and mountain biking through the Sports Partnership plus other approved external sports providers
- Improving children's access to games and activities both indoors and outdoors at playtimes by funding improved outdoor storage for games plus indoor active games for wet playtimes
- External training for Play Leaders to improve their knowledge and skills when leading games for other children
- Funding training for Extended Services staff to attend course on play leading to improve participation in active games at our breakfast and after school clubs
- Improving our provision of dance and movement activities by funding a dance teacher to provide clubs for pupils
- Develop delivery of Forest Schools on our school site by employing a fully qualified provider to deliver sessions directly to groups of children and / or training school staff in the delivery of Forest Schools

Sustainability of provision:

- Staff have received training from LCC advisors on delivery of dance and gymnastics in order to improve sustained provision of high-quality P.E. and sport in school
- Extended Services staff will be receiving training; these staff are employed directly by the school and therefore will be able to contribute to sports and games delivery before and after school.
- Training for welfare staff will improve provision at lunchtimes when sports coaches are not on site
- Sports Coaches have delivered games during P.E. sessions whilst teachers and TAs have been present; this continues to be a quality CPD opportunity for all staff
- Further external training for Play Leaders will develop the pupils' knowledge in school

Key Stage 2 Swimming Outcomes:

Pupils in Classes 3, 4 and 5 attend 6 x weekly swimming sessions per year at a local swimming pool. According to the National Curriculum 2014, by the end of Key Stage 2 pupils are required to meet the standards set out below. The percentage indicates approximately how many of our Year 6 pupils in 2020 are expected to achieve these standards:

- a) Swim competently, confidently and proficiently over a distance of at least 25 metres (81%)
- b) Use a range of strokes effectively (81%)
- c) Perform safe self-rescue in different water-based situations (81%)
