Dear Parent, Carer

As you may be aware, the school currently subscribes to an online maths learning resource called Mathletics. Our subscription is shortly due for renewal but unfortunately the school is not in a position to fund the resource this year. We are asking parents to make a contribution for their child to continue with Mathletics.

The cost of a subscription is £10.00 to £15.00 per year depending on the number of children who subscribe. (the more children the less the cost). This represents good value for money compared to the cost of a private subscription, prices at £59.00 per child.

Please confirm if you are interested by returning the reply slip below or emailing the school office.

Yours sincerely

Nancy Adshead
Headteacher
