

The last two weeks have flown by. The children are continue to settle well and we have enjoyed seeing the changes that autumn brings. The children have been collecting conkers and creating autumnal art. I have enjoyed visiting the classrooms and seeing the children engaged in their learning, some highlights were Evil Pea and his toilet roll in Gold Class; Silver class and their sensory stories working alongside the Speech and Language therapist and Silver Class and their delicious cooking. I have also had the pleasure of teaching Platinum Class Science and learning about solids, liquids and gases. If you have any concerns or questions please do not hesitate to get in touch with myself or your class teacher.

**Clothing** ~ Please can you make sure that children have their names inside all their clothing as we have had a number of items of clothing that we have not been able to reunite with its owner as it is unnamed. Please also send in a coat as the weather is beginning to become colder and wetter.

**Saturday Club** ~ The first date for Saturday club is the 12<sup>th</sup> October. We hope that you are able to join us from 10:30am until 12:00pm. During the session there is the opportunity to meet other families and use the school pool. Cost is £2 per family and there is a light lunch provided for the children. Siblings are most welcome as are other family members.

**FOMCU** ~ Please add the date to your diary for the MCC 50<sup>th</sup> Anniversary Quiz night on 18<sup>th</sup> October at the school.

**New Classroom** ~ You may have noticed signs up about the delivery of the new classroom. This will be taking place on 5<sup>th</sup> October. We have been meeting with the construction team finalising arrangements. Once delivered we hope to be ready for use from the beginning of the new term.

**Home visits** ~ We will be offering home visits to all families throughout the year. Bronze class please look out for a note in the home school book in the next few weeks. Other classes the teacher will be in touch but if you would like a visit sooner please do make contact with your class teacher through the home school book.

**Dates and horseriding** ~ There are a number of dates for your diary included which I hope will help when planning ahead. Horseriding now takes place each week on a class by class basis so your child will have one session every four weeks. Please ensure on horseriding weeks your child has long trousers, such as jogging bottoms and a pair of wellies

Michael Bogg , Centre Manager

*Be Kind. Try hard. Do your best.*

Dates to add

- W/B 30<sup>th</sup> September – New ILPs issued
- 1<sup>st</sup> October – Bronze class horseriding

- 18<sup>th</sup> October – MCC 50<sup>th</sup> Anniversary Quiz Night
- 25<sup>th</sup> October – MCC 50th Anniversary 1:30pm – TBC
- 13<sup>th</sup> December – Christmas Play

**Bronze Class** – As part of our 'All About Me' topic, Bronze class have done some whole body outline drawings, posters about themselves, and made gingerbread 'mini me' people. They really enjoyed their first swimming and judo sessions, along with a fun singing session with Tim. They got very messy doing a sensory story based on the theme of 'the circus.'

**Silver Class** – Silver Class have had a lovely week learning about 'Rosie's Walk.' We found out where she lives and what food we could make sandwiches from the book. We tasted a variety of sandwich fillings and Silver Class's favourite was egg! We then thought about how to make sandwiches and made our own, ate them then ordered our instructions.

**Gold Class** – As part of our 'Heroes and Villains' topic, Gold Class have been enjoying reading 'Supertato'. Evil Pea has been causing mischief in our classroom and we have made models of Supertato to save the day! We have also been learning about Alexander Graham Bell as part of our work on 'Super Scientists' and investigating sound by making string telephones.

**Platinum Class** – Platinum Class have been creating and writing about 'mixed up' animals. We have been finding out about the homes of Ancient Greeks. Some of Gold Class joined us for Lego therapy.
