Chair of Governors : Mr; C Murphy**

Dear Parents

Welcome to St Joseph's Catholic Primary School. We hope that this prospectus sets out information, which will be of help to you to prepare your child to begin school.

St Joseph's Catholic Primary School is a voluntary aided Roman Catholic School for children of all faiths, nationalities, backgrounds and abilities, aged 5 – 11 years.

St Joseph's is first and foremost a place of learning. Great emphasis is placed upon creating a safe, healthy and nurturing environment, which is calm and ordered, and therefore conducive to hard work and achievement. We provide a stimulating learning environment in which all members of the school community are encouraged to achieve their full potential.

We are committed to working in partnership with parents, knowing that with your support and co-operation, we shall succeed in providing the best education and care possible for your child.

Childhood is a very special time and no one gets a second chance at it. We shall do our best to ensure that your child enjoys a rich and varied school life and finds satisfaction and interest in academic, creative and sporting activities of many kinds.

Each school has its own ethos – that particular quality, which although difficult to define, permeates the very life of the school. At St Joseph's, our unique distinctiveness is born out of the Gospel virtues we follow and the Christian living we affirm on a daily basis. We aim to educate our pupils for life, giving them the knowledge and skills to become active and valuable citizens, now and in the future.

I hope that the information in this prospectus will give you an insight into the life and work of St Joseph's Catholic Primary School.

Yours sincerely

Mrs Catherine Murphy  
Chair of Governors

# **St. Joseph's Catholic Primary School**

## **Mission Statement**

The Gospel values for which Jesus lived, preached and died will be proclaimed through our work as the light of Christ guides us on our spiritual journey.

Our school will be seen as a community with Christ at the centre, where children are at the heart of all our efforts, celebrating achievements and reflecting through prayer.

Through our actions, all who share in the life of the school will feel welcomed, valued, included and informed.

All relationships amongst us will be based on love, truth, compassion, justice and forgiveness.

We will support our community in having a deeper awareness and understanding of the Catholic faith, whilst respecting the personal consciences of our children and their families.

Fountain of truth

Embodiment of love

Spirit of compassion

# **St Joseph's Catholic Primary School**

## **Our Aims**

*Living, Celebrating,  
Learning, Caring*

### **Living School**

The school aims to be a Christian community in which all are encouraged through worshipping together, to deepen their relationship with God and one another.

### **Celebrating School**

The school aims to be a community where true effort is valued, success of every kind is celebrated and all are encouraged to do their best.

### **Learning School**

The school aims to be a place of learning in which there is enthusiasm, a desire to learn and the confidence to work hard and persevere.

### **Caring School**

The school aims to foster its culture and ethos through the qualities of love and kindness, and through a readiness to respond to the needs of others. By doing this, we hope to create individuals who are responsible citizens in God's world.

# School Governing Board

St Joseph's is a Voluntary Aided School, provided by the Catholic Diocese of Leeds and maintained by East Riding County Council. It has a Governing Board, which is responsible for the school and on which the Church, Local Authority, Parents and Staff are represented. Members of the school Governing Board are as follows:

Foundation Governors (appointed and approved by Bishop Marcus Stock).

<b>Name</b>	<b>Title</b>
Fr Nigel Barr	Foundation Governor
Mrs Catherine Murphy	Chair/Foundation Governor
Mrs Andrea Standring	Vice Chair/Foundation Governor
Mr Garry Jennings	Foundation Governor
Mrs Mary Livingston	Foundation Governor
Mr Kevin Flynn	LA Governor
Ms Barbara Ainscough	Foundation Governor
Mrs Melonie Kucherka	Parent Governor
Vacancy	Parent Governor
Miss Natalie Linnington	Staff Governor
Mrs Tina Connell	Head Teacher
Mrs Amanda Hall-Meil	Clerk to Governors

Correspondence for members of the Governing Board may be addressed care of the school office.

# Our School Staff

<b>Leadership</b>		
Head Teacher	Mrs Connell	Responsible for: Assessment Lead, Designated Child Protection Officer, Disadvantaged Pupils Champion, Designated Child Looked After Officer, Educational Visits Lead, Health and Safety Officer, Health and Well-being Champion
Deputy Head Teacher	Mrs Cooke	Responsible for: Religious Education (Catholic life), Deputy Designated Child Protection Officer, Modern Foreign Language, Art
Senior Leadership	Mrs Connell, Mrs Cooke	Responsible for: School Improvement
<b>Teaching Staff</b>		
Foundation Stage	Mrs Morrell	Responsible for: Special Educational Needs, Reading, Assessment for Learning English as an Additional Language
Year 1 and 2	Mrs Hill	Responsible for: Science, Design and Technology, Computing

Midday Supervisor	Miss Ambrasaite
Midday Supervisor	Miss Spakova

# ADMISSIONS POLICY

## 2019/20

### OUR POLICY AND PRACTICE

St Joseph's Catholic Primary School was founded by the Catholic Church to provide education for baptised Catholic children. The school is run by its governing board as part of the Catholic Church in accordance with its Trust Deed and Instrument of Government and seeks at all times to be a witness to Jesus Christ.

If the number of preferences received is less than the admission number then all preferences will be met. However, when there are more applications than places available, priority will always be given to Catholic applicants in accordance with the oversubscription criteria listed below. By applying to this school parents, or carers, are declaring their support for the aims and ethos of the school.

The governing board has responsibility for admissions to the school and intends to admit 15 pupils to reception in the school year which begins in September 2019.

#### **Oversubscription criteria**

At any time where there are more applications for places than the number of places available, places will be offered in the following order of priority:

1. Looked After Children from Catholic families or children from Catholic families who were previously looked after but ceased to be so because they became adopted or became subject to a residence or special guardianship order with a sibling who attends St Joseph's Catholic Primary School.
2. Looked After Children from Catholic families or children from Catholic families who were previously looked after but ceased to be so because they became adopted or became subject to a residence or special guardianship order.
3. Baptised Catholic children with a sibling who attends St Joseph's Catholic Primary School.
4. Baptised Catholic children who live in the defined area.
5. Other baptised Catholic children.
6. Other looked after children or other children who were previously looked after but ceased to be so because they became adopted or became subject to a residence or special guardianship order with a sibling who attends St Joseph's Catholic Primary School.
7. Other looked after children or other children who were previously looked after but ceased to be so because they became adopted or became subject to a residence or special guardianship order.
8. Other children with a sibling who attends St Joseph's Catholic Primary School.
9. Other children.

#### **Tie Break**

- Where the offer of places to all the applicants in any of the categories listed above would still lead to oversubscription, the available places will be offered to those living nearest to the school. 'Straight line distance' will be used as the measure (see notes).
- If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by

this means. In the event of this being equal, places will then be decided by random allocation (see notes).

- Where there is more than one application from a postal address contained within a block of flats, places will be decided by random allocation (see notes).

### **Application Procedures and Timetable**

A standard application form, known as the Common Preference Form must be completed and returned to the Local Authority Admissions Team at County Hall, Beverley by 15th January 2019. Failure to provide a Common Preference Form (CPF) would mean that the application is not valid.

If parents/carers feel that they should be in a specific category i.e. Baptised Catholic, then they are required to complete a Supplementary Information Form and provide the required evidence. The Supplementary Information Form is attached to this policy and must be submitted by date to be confirmed to Mrs Linda Teal, School Business Manager at the school. Therefore, failure to provide a Supplementary Information Form (SIF) could affect the category your application is placed in. Please note that it is the responsibility of the parent/carer to complete all forms and supply evidence – reminders will not be sent.

Parents or carers will be advised of the outcome of their applications on 16th April 2019. Unsuccessful applicants will be given reasons related to the over-subscription criteria listed above and advised of their right of appeal to an independent appeal panel.

### **Late applications**

Late applications will be dealt with according to the local authority co-ordinated scheme.

### **Deferred entry to primary schools**

Parents of children who are offered a place at the school before they are of compulsory school age can defer their child's entry until later in the school year or until the child reaches compulsory school age in that school year. Where entry is deferred, the school will hold the place for that child and not offer it to another child during the remainder of the school year. Parents cannot defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted. Parents can also request that their child attends part-time until the child reaches compulsory school age.

### **Deferment for summer born children**

If your child's fifth birthday is between April and August then they can start school the following September. The expectation would be that parents have decided that the child will miss the full reception year and they would have to apply for Year 1 places (if any remained available). Requests for full year deferral with a retained reception start will be considered individually. Parents would be expected to provide substantial and exceptional evidence of the need for this to happen (personal views and reference to national research will not suffice).

Admissions outside the normal admission round – applications should be made to the school and will be dealt with by the admission authority of the school i.e. the governing board. If there is more than one application for an available place the governors will make their decision using the oversubscription criteria listed in the appropriate policy for the year group. Unsuccessful applicants will be given reasons related to the oversubscription criteria listed above and will be advised of their rights to appeal the governors' decision to an independent appeal panel.

### **Waiting lists**

As well as their right of appeal, unsuccessful applicants will be placed on a waiting list. This waiting list will follow the order of the oversubscription criteria set out above, therefore, this means that each time a child is added the list will be re-ranked. Names are normally taken off the list at the end of the academic year.

Pupils with a Statement of Special Educational Needs or an Education, Health and Care Plan  
Children with a Statement of Special Educational Needs or an Education, Health and Care Plan that names the school must be admitted. This will reduce the number of places available to applicants. This is not an oversubscription criterion.

The admission of pupils with a Statement of Special Educational Needs or an Education, Health and Care Plan is dealt with by a completely separate procedure. Details of this separate procedure are set out in the Special Educational Needs Code of Practice.

**Notes (these notes form part of the over-subscription criteria)**

Catholic means a member of a church in communion with the See of Rome. A certificate of baptism in a Catholic church, or a certificate of reception into the full communion of the Catholic Church, will normally evidence this alternatively a letter from a parish priest confirming membership of a church in communion with the See of Rome. This includes the Eastern Catholic Churches.

Looked After Child has the same meaning as in section 22 of the Children Act 1989, and means any child in the care of a local authority or provided with accommodation by them e.g. children with foster parents.

Looked After Children from Catholic Families – this has a dual meaning. It could be the child themselves who are baptised Catholic or it could be the family who are caring for the child that is Catholic. If it is the child who is a baptised Catholic normal rules apply and a baptism certificate should be seen by the admission authority. However, (in limited situations) this may not always be possible and in these cases the admission authority should seek to ensure that there is evidence that the child has been baptised. If a child is placed with a Catholic family who wish the child to have a Catholic education this should be evidenced by a letter from a priest evidencing the baptism of the parent carer.

Defined area is a geographical area. Please see boundary maps available for inspection in school (boundaries determined by the Diocese of Leeds).

Siblings (brother or sister) includes children with a brother or sister (including step-siblings, adoptive siblings and foster siblings) of statutory school age, living at the same address, in attendance at the same school on the date of admission.

Twins or triplets (or multiple births) - where a family of twins or triplets request admission and if one sibling has been offered the 30th or last place the 'excepted pupil' rule comes in and the other twin/triplets are offered a place.

Live - In all categories "live" means the child's permanent home address. A child is normally regarded as living with a parent or guardian and we will use the parent or guardian's address for admission purposes. You cannot lodge a child with a friend or relation in order to gain a place at a school. For admissions purposes only one address can be used as a child's permanent address. When a child lives with more than one parent/carer, at different addresses, we will use the preference expressed by the parent/carer at the address where the child lives the majority of the time during the school week as the main place of residence.

Straight line distance - in all categories, when decisions have to be made between children satisfying the same criterion, children living nearest to the school, using a straight line measure, have priority.

Random allocation – this is only to be used when the last place to be offered would fall into one of the two categories above i.e. children living in a block of flats or children who live equidistant from the school using straight line distance criterion. An independent person will be used to make the random selection.

# School Procedures

Session Times					
Foundation and Key Stage 1			Key Stage 2		
EYFS	Morning Session 8.55 – 12.00 Continuous Provision			Lunch	Afternoon Session 1.15 – 3.30 Continuous Provision
KS1	Session 1 8.55 – 9.50	Session 2 10.00 – 11.00	Session 3 11.10 – 12.00	Lunch	Afternoon Session 1.15 – 3.30
KS2	Session 1 8.55 – 9.50	Session 2 10.00 – 11.00	Session 3 11.10 – 12.15	Lunch	Afternoon break when appropriate

## Start of the school day

At the start of the day, the gates to the playground gates are unlocked at 8.45am. Parents are most welcome to walk their children to their appropriate cloakroom doors; parents are respectfully asked not to go into the cloakrooms due to the limited space. Staff will be on duty in the playground to welcome children and talk to parents should there be any minor concerns or questions that can be dealt with quickly. If the concerns are of a more serious nature that require more time, a mutually convenient appointment should be made with the teacher. Children will have early morning work to get on with straight away, and will be expected to settle down into this quickly and quietly.

At 8.55am, the school bell will ring, and the gates to the playground are then locked. If anyone arrives after this time, they will have to enter school via the reception office, where the reason for the lateness will be recorded. Please note that punctuality is extremely important and enables a good start to the day for your child. Punctuality is monitored by the Head Teacher, and any concerns are addressed in conjunction with the Educational Welfare Officer.

## End of the school day

Please ensure you are present to collect your child from the classroom door when lessons finish at 3.30pm. Children will only be released when staff are confident there is someone suitable to collect them. If, for any reason, you are unable to collect your child on time, please contact the school office on 01405 762607 as soon as possible. Similarly, if your child is to be collected by a different person, then please make sure you make the school aware of this (forms are available in the Foundation Stage cloakroom for this purpose if your child is in the Foundation Stage class).

In the event of a child not being collected, staff will initially endeavour to contact the parent, and then the nominated emergency contact. It is therefore essential that we hold up to date records for parent and emergency contact telephone numbers.

## Children Leaving the Premises Without Permission

We strive to make the school a safe environment with controlled access. All gates to the school premises are kept locked throughout the day, except for the main gate which gives access to visitors via the reception area. Access to the rest of school from the reception waiting area is via a key code locked door.

If, in the unlikely event, a child leaves the premises of their own accord, staff will notify you, (or your emergency contact if you are unavailable), and the police immediately. A senior member of staff will search the roads between the school and your home, remaining in touch both with the school and you (or your emergency contact) by mobile phone.

Copies of your child's most recent school photograph will be shared with police officers involved in the search. The police will coordinate communications between everyone involved in the search and ask you to detail the places your child might choose to go.

If your child arrives home, or you find them first, then let the school know straightaway so that the search can be concluded.

When the child is found, you will be notified immediately and they will be returned to school or to your home if you prefer.

## **Term Time Dates**

Please see Appendix A at the back of this booklet for this year's term time dates. We advertise term time dates on our website as soon as they are agreed with our Governors and we ask all parents to keep the list and consult it when making holiday plans.

**Holidays should not be booked during term time. If there are exceptional circumstances as to why you must take your child out of school, please consult the Head Teacher for authorisation for absence from school, prior to booking.**

Parents who take unauthorised holidays during term time are advised that they may incur a fine imposed by the Local Authority. The Local Authority Attendance Policy is on our website and it is important that parents consult this before booking holidays during term time. Any request for absence from school must be accompanied by proof that you meet one of the criteria stated on the policy.

## **Lunchtime Arrangements**

The lunch-break is from 12.00-1.15pm for FS/KS1 children and 12.15-1.15pm for the KS2 children, during which time they are supervised by mid-day supervisors. Children can choose to have a cooked meal or a packed lunch.

The cost of a school dinner is £2.40 a day. All payments must be paid through ParentPay. If you do not have a bank account this can be done via Pay Point at a variety of outlets around Goole town. You can ask the school secretary for a payment card if paying through Pay Point. You will be given password details, please note that each child will have their own password on this system. If a child is absent, credit is carried through to the following week. We ask all parents to cooperate with this arrangement. All meals should be paid in advance. If a child's account goes into arrears then you will be asked to send the child in with a packed lunch until the debt has been paid. Schools are not permitted to give credit or to allow outstanding dinner money to build up. Parents may pay for an entire term/half term's dinner money in advance if they wish, the cost of which can be obtained from the school office.

All children up to the end of Year 2 are eligible for free school meals. We would encourage you to take up this offer, as the meals provided are cooked on site and are very nutritious. Please note; the school is still given extra money for every child that is eligible for free school meals. This money is called 'Disadvantaged Pupil Funding', and it can be used to provide a multitude of things that enhance your child's education. Contact the school office to see if you can apply for this extra money, as every penny really does count in a small school.

## Typical Menu

*Vegetarian meals are available daily!*

<u>Day</u>	<u>Menu 1</u>	<u>Menu 2</u>	<u>Menu 3</u>
Monday	Chicken Pasta Bake / Vegetable Pasta Bake with potato wedges, sweetcorn and winter salad Chocolate Cookie and Milkshake / Fresh Fruit / Yoghurt		
Tuesday	Braised Steak / Country Vegetable Casserole with Yorkshire pudding, mashed potato, baby carrots and cauliflower Fruit Muffin / Fresh Fruit / Yoghurt		
Wednesday	Roast Pork Loin / Quorn Roast with sage and onion stuffing, over roast potatoes, broccoli and carrots Strawberry Mousse / Fresh Fruit / Yoghurt		
Thursday	Chicken Curry / Keema Curry with naan bread, steamed rice and mixed vegetables Madeline Sponge and Custard / Fresh Fruit / Yoghurt		
Friday	Fillet of Fish / Vegetable Nuggest with steak fries, garden peas and baked beans Winter Berry Crumble and Ice Cream / Fresh Fruit / Yoghurt		

The weekly menu runs on a three week rolling programme and is regularly revised. Updated menus are always on the school website [www.stjosephsrcprimaryschool.co.uk](http://www.stjosephsrcprimaryschool.co.uk). If you do not wish your child to have a school meal, you can provide a packed lunch in a lunch box, clearly marked with the child's name and class. Please ensure that these do not include fizzy drinks, chocolate, chocolate covered biscuits or sweets. If included, the children will be asked to put these items away to take home. Crisps are allowed as long as they are baked. Please be aware that packed lunches are not refrigerated and you should choose contents that will remain fresh at room temperature. Please ensure your child brings their packed lunch to school with them in the morning, as lunches are stored in a designated area for later distribution. Lunches arriving late can interfere with the smooth running of the lunchtime period.

## **Mid-morning Break**

The school is part of the Infant Fruit and Vegetable Scheme. Every FS/KS1 child receives a free piece of fruit daily. If a parent wishes to send in an alternative form of fruit/vegetable, then this is fine. Children in all year groups may bring in a piece of real fruit or vegetable (or chopped up pieces of real fruit/vegetable) for their morning and afternoon breaks. Crumpets/Pancakes are on sale for 20p each on a daily basis during the morning break. In order to maintain a healthy school environment, no other snacks are permitted.

Children are aware that their full cooperation is expected in ensuring that all litter from snacks and lunch boxes is disposed of correctly in appropriate waste bins.

## **Drinks in Class**

Children have access to water throughout the day, in the classroom using water bottles that can be purchased from school. They are not permitted to bring juice or bottles from home.

## **Accident/Illness**

Basic First Aid is administered in school for minor incidents. **It is very important we have emergency numbers for you to be contacted quickly, should the need arise. Always notify the school, if you change your telephone number or if there is a change in family circumstances.** You will be given an official Notification of Change of Details form to fill in. You will also need to complete an authorisation form that allows us to seek any necessary emergency medical advice or treatment if the need arises. This form is included with your child's induction pack. Please ensure that it is signed and returned to the school.

## **Medication Policy**

The aim of our policy is to effectively support individual children with medical needs and to enable pupils to achieve regular attendance.

Parents should not send a child to school if (s)he is unwell, and most certainly not when they are infectious. Where a child has a long term medical need a written health care plan will be drawn up with parents and health professionals. No member of staff can be required to administer medicines to pupils but where a member of staff volunteers to do so then they will be given training as appropriate for the task. It is the parents' responsibility to ensure they are aware of expiry dates of any medicines/asthma inhalers, kept in school.

Parents must inform the school about any particular needs their child may have before a child is admitted or when a child first develops a medical need. We will endeavour to support the child to promote good attendance, and where necessary staff will undergo training for this.

## **Non Prescriptive Medicines**

The school will not administer non prescribed medicine to a child e.g. cough medicine, Calpol.

## **Prescribed Medicines**

Parents must complete the form 'Request for School to Give Medicine'.

Medicines must be provided in the original container as dispensed by a pharmacist and include the prescriber's instructions:

- Name of child.
- Name of medicine.

- Dose.
- Method of administration.
- Time/frequency of administration.
- Any side effects.
- Expiry date.

The person responsible for administering such medicines is Miss Sharp. If Miss Sharp is absent then another member of staff, who is first aid trained, will administer the medicine.

## **Self-Management**

Children are encouraged to take responsibility for their own medicine from an early age. A good example of this is children keeping their own asthma reliever, which should be clearly labelled with the child's name.

## **Refusing Medicine**

If a child refuses medicine the parent will be informed the same day.

## **Disposal of Medicine**

Parents are responsible for ensuring that date expired medicines are returned to a pharmacy for safe disposal. They should collect medicines, including asthma inhalers, at the end of each term.

## **Medical Matters**

A Health Nurse and doctor have been allocated to this school to carry out routine health inspections. The school nurse is available by appointment, either in school or at Bartholomew Medical Centre, Goole.

## **Parent Consultations and Meetings**

Parents are actively encouraged to participate in their child's learning. There are termly Parental Consultation evenings to which parents are invited and expected to attend. If you are unable to attend on the specified evening, then your child's class teacher will be in touch to make a more convenient appointment time. St Joseph's school recognises the importance and value of parental involvement and we would be pleased to hear from you about ways in which we can work more closely together.

## **Access to the School**

Attlee Drive provides the only access to the school. At school opening and closing times parents tend to converge in Attlee Drive and Kennedy Drive. Please avoid parking on the zigzag lines, and be mindful of the presence of children, and the needs of the residents who live in this area. The school car park is strictly for staff and parents of children who have particular needs. We continue to work closely with the local police in ensuring that our children remain safe at these busy times, and the needs of residents are respected.

## **Security**

The care and safety of our children is of paramount importance to us. All visitors, including parents, should report to the school office throughout the day as soon as they arrive on site. We respectfully ask that children do not have their lessons disrupted by visitors, and any messages or items should be left with the office staff, who will ensure safe delivery of the message or item. The cooperation of all visitors is crucial in this area of security.

# **Pupil Absence/Attendance**

In keeping with our Attendance Policy, parents are expected to comply with the following procedures:

- To ensure that pupils are in line and on time at the start of each school day.
- To realise that any pupil lateness after 9.20am (unless for a medical appointment) will be coded as an unauthorised absence.
- To notify the school of all pupil absences on the first day, preferably by telephone.
- To complete a request for a Request for Leave for Exceptional Circumstances form for all planned pupil absences, seeking school authorisation.
- To understand that not all pupil absences can be authorised.
- To avoid any pupil absences, where possible, within the academic year, especially during April and May.
- To avoid any periods of pupil absence in excess of the government's maximum limit of 10 days – please read and keep to hand Appendix B attached
- To work with the school where pupil attendance is a cause for concern.

We ask all our parents/carers to report a pupil's absence on the first day, or in advance of that if the nature of the pupil's absence is known. If your child is absent due to illness, please telephone the school office or send a message to the school office or class teacher. Failure to support this procedure may result in discrepancies in your child's End of Year Attendance Record.

If your child is in need of a medical or dental appointment, these should be arranged outside school hours wherever possible. If it is not possible to arrange an appointment out of school hours in an emergency, please inform the class teacher in writing in advance. Sight of the appointment card or letter is required.

If your child is absent for another reason, e.g. family occasion, holiday or extra-curricular activity not connected with the school, parents are obliged to seek permission from the Head Teacher in advance.

The school's official Absence from School policy and form (in accordance with the East Riding Local Authority) is available from the school office. Failure to apply for pupil absence from school will result in that absence being coded unauthorised, which would impact negatively on your child's absences and be queried by the Education Welfare Officer, which can result in parents receiving home visits.

The agreed attendance target for our individual pupils is 95% or above. Where a child's attendance falls below this, parents will be invited into school to discuss the situation with the Head Teacher. Children whose attendance falls significantly below are defined as 'persistent absentees' and the government will expect action to be taken to improve this level of attendance. Attendance is tracked by the Head Teacher and then by the Education Welfare Officer if there is cause for concern. The Education Welfare Service will take parents to court if their children's absence is consistently high.

## **Valuables**

We are unable to accept responsibility for valuables, therefore we ask you not to allow valuable items to be brought to school. As such, games, toys and electronic items are not allowed in school. If children bring items for show and tell, then they should be safely stored in the classroom where they will remain for the full day. Forbidden items will be confiscated and returned to parents as the end of the school day.

Mobile phones will not be needed during the school day and must be left at home. Any urgent calls can be made using the school phone on request. Some children, usually in Y5/6, walk to or from school alone. Parents who wish their child to do this must provide written permission, and under these circumstances, phones may be brought to school. Under these circumstances, phones must be turned off and deposited in a lockable box. Phones will be returned to pupils at 3.30pm.

# School Uniform

The school has a set uniform which we expect all the children to wear. The code of dress is outlined below.

	Girls	Boys
Winter	<p>Maroon tie with logo (first tie is provided free from school)</p> <p>White collared shirt (no polo shirts, scalloped edges on collars or additional decoration)</p> <p>Maroon v-neck knitted jumper / cardigan without logo (no sweatshirts or home-knitted versions)</p> <p>Mid grey tailored pinafore dress, skirt or trousers</p> <p>Grey or maroon socks or tights</p> <p>Black shoes (no trainers)</p>	<p>Maroon tie with logo (first tie is provided free from school)</p> <p>White collared shirt (no polo shirts)</p> <p>Maroon v-neck knitted jumper without logo (no sweatshirts or home-knitted versions)</p> <p>Mid grey tailored trousers</p> <p>Grey or black socks</p> <p>Black shoes (no trainers)</p>
Summer	<p>Pink gingham summer dress</p> <p>Maroon jumper or cardigan as above</p> <p>Grey, maroon or white socks or tights</p> <p>Black, brown or white shoes or sandals</p>	<p>Tie as above</p> <p>Mid grey tailored trousers or shorts</p> <p>Shirt as above</p> <p>Maroon jumper as above</p> <p>Socks as above</p> <p>Black or brown shoes or sandals</p>
PE	<p>Plain white t-shirt</p> <p>Black PE shorts</p> <p>Plain black or navy tracksuit</p> <p>Black or white trainers</p>	<p>Plain white t-shirt</p> <p>Black PE shorts</p> <p>Plain black or navy tracksuit</p> <p>Black or white trainers</p>
Coats	<p>Maroon reversible school coats may be purchased from Clothes 4 Little People if desired. Otherwise, a plain dark coloured coat is acceptable.</p>	

## The Role of Parents

We ask all parents who send their children to our school to support the school uniform policy. It is the responsibility of parents to ensure that their child has the correct uniform and that it is clean and in good repair. Where a parent is temporarily unable to send their child to school in the appropriate uniform, permission must be sought from the Head Teacher, who must agree that the reasons are valid. All items must be named.

Please note: school shoes and PE trainers must be appropriate for the active lives our children lead during the school day. School shoes must not have high heels, and fashion boots or brightly coloured trainers must not be worn in place of school shoes. In the event of inclement weather, sensible boots may be worn.

All items of PE uniform must be plain, and not display any type of logo.

The children are strongly encouraged to wear hats/caps during the summer months.

**Please ensure that your child's name is clearly marked on all items of clothing brought into school.**

For health and safety reasons jewellery must not be worn, except for plain gold/silver stud earrings. Pupils will need to be able to remove their earrings themselves for PE lessons. If they are unable to do this, earrings must be left at home on PE days. Please ensure that any new piercings are made at the start of the summer holidays to ensure that they have time to heal. Please note that staff are not permitted to remove ear-rings, and plasters may not be worn to cover ear-rings, as this poses a danger to the child when participating in active PE lessons.

Sensible, inexpensive wristwatches can be worn, and must be marked with the owner's name. The pupil must be responsible for their watch as the school is not responsible for damage to or loss of personal property.

All long hair should be tied back. Please use maroon, grey, white or black bands or ties for this, and discourage your child from wearing fancy hair accessories as some designs can cause injury, especially during PE lessons. All hair styles must be sensible and appropriate for school; extreme haircuts are not acceptable. Shaven heads or any haircut which involves the shaving of lines or symbols, extreme colouration or particularly noticeable variations in colour or length will almost certainly be judged as extreme by the school.

Make-up, including nail varnish, along with tattoos, must never be worn in school.

School bags must be named and be of an appropriate size. Children only require a book bag (to carry pencils cases and reading books etc) and a string-drawn bag (to carry a PE kit). Further bags are unnecessary and take up precious space in the cloakroom.

If your child is not adhering to our school policy, you will receive a letter from the teacher outlining what aspect of their uniform needs addressing for the following day. Your compliance in this matter is greatly appreciated.

# Pastoral Care

Children are expected to behave appropriately and staff work hard to ensure that high standards of discipline are maintained. Clear school rules and class rules exist to help our children to make the right choices and decisions. Our programme of worship and spiritual development focuses on promoting respect, tolerance and self-control among the children so that strong disciplinary measures are not necessary.

The children are expected to operate within a framework of discipline that takes into account mutual respect, consideration to others, good manners, acceptable speech and gradual achievement of self-discipline governed by common sense.

Good discipline is based on positive praise and encouragement. Dojo rewards are given to pupils in recognition of good behaviour. Our positive discipline policy clearly outlines our rewards and sanctions. We believe in contacting and consulting with parents/guardians if and when behaviour problems occur. Prompt action and intervention by the school and parents/guardians can prevent a small behavioural problem from escalating any further.

As a caring community, we do not tolerate bullying, extremism, terrorism or racism of any kind. We will act swiftly and thoroughly when aware of any such incidents that occur. Our School Behaviour Policy and Equality Policies clearly outline the school's practice and procedures in such cases. Many of our policies are available to view on our website, or on request from the school office.

## Pastoral Support

We are very conscious of our duty of care for your child(ren) and make every effort to provide the degree of care and supervision any responsible parent/ guardian would be expected to make. We strive constantly to remain aware of and respond to your child's academic, emotional, social and behavioural needs. We rely on your whole hearted support and open communication to help us create a happy, civilised and harmonious environment.

Pastoral care is ensured through the class teacher system. Each member of staff is responsible for their class for most of the programme of work and in consequence, a close relationship can develop between adult and child whereby teachers can monitor and respond to a variety of individual needs. Support staff play a very important role in interacting with pupils and can liaise effectively with teachers if they have any concerns.

The ultimate responsibility for pastoral care lies with the Head Teacher and the senior leadership team. Should any parent/guardian have any concerns regarding their child's welfare or any aspect of school life, the teacher, or Head Teacher should be informed without delay. Great care is given to forge links with both home and parish to create a triangle of interactive pastoral care.

At St Joseph's School we are committed to providing a safe, caring and happy environment for all our pupils. Bullying in our school is seen as unacceptable behaviour, which affects everyone and will not be tolerated.

We will ensure that:

- All reports of bullying will be treated seriously and dealt with calmly.
- We will develop effective strategies to prevent bullying.
- All children are regularly reminded of the school's rules and sanctions for inappropriate behaviour.

It is also the school's legal duty to prevent bullying amongst pupils.

All parents should be aware of the school's anti-bullying policy; you will find it on our website or please ask in the office to see a copy. A small charge for printing will need to be made if you wish to take a copy away.

In our school, we make our children aware of what bullying is by regularly exploring what it entails. Our children know the difference between bullying and falling out with a friend.

Parents will be contacted and advised of the possible consequences of bullying incidents which may involve their children. The school will involve parents at an early stage when an incident has been reported. Parents will be invited in to discuss the matter in detail.

It is important that the school reacts appropriately with incidents of bullying, including comprehensive consultation with all those involved in the incident, raising awareness and continued communication. Please remember that a satisfactory investigation may take time to investigate fully and parents will be notified of outcomes as soon as possible. Your cooperation with school is greatly appreciated with these matters.

If you think your child may be being bullied, here are some signs to watch out for:

- Watch for signs of stress (eg an unwillingness to come to school, isolation, feigned illness, damaged clothes or bruising).
- Encourage your child to talk about school life and friendships.
- Contact the school if you are aware or suspect your child is being bullied or is acting as a bully.

## **Equal Opportunities**

Equal opportunities is the responsibility of the whole school community and is reflected throughout the organisation of the school. It is addressed in both the taught and hidden curriculum.

All staff, governors, parents/guardians and pupils are involved in developing, implementing and monitoring the equal opportunities policy and practice.

All staff, governors, parents/guardians and pupils regardless of race, ethnicity, faith, disability, gender, age, sexual orientation and/or socio-economic background, are welcome and encouraged to participate in the life of the school.

# **Provision for Children with Special Educational Needs (SEND)**

The school operates a system of early identification for children who may fall significantly outside the expected range of academic achievement or who is not making the expected progress. The school's SEND policy is in line with the Code of Practice and further details can be found about our school's approach to SEND in the policy and the school local offer; these are available on our website or from the office on request. The documents explain the procedures that the school will adopt if a child is identified as having SEND.

The school has a teacher (SENDCo) whose responsibility is to coordinate the school's SEND policy and practice. This is Mrs Morrell, who currently teaches in Foundation Class. If you require any further information relating to SEND, please contact either Mrs Morrell or Mrs Connell.

The Governor with responsibility for SEND is Mrs Murphy.

At all times, the school strives to be inclusive with regard to SEND. At no time will a child be placed on school SEND records without prior discussion with the child's parent/carer.

## **Disability Discrimination**

Our school values the individuality of all our pupils, staff and parents. We aim to ensure that all are welcome in our school. We have adapted our building to ensure that it is accessible to all. We are committed to making any further necessary adjustments, as required, to meet the needs of individual members of our community. Our Accessibility Policy is available on our website or from the office on request.

## **Child Protection**

The safeguarding of our pupils is of paramount importance to us. At St. Joseph's Catholic Primary School, we all take action to promote the welfare of children and protect them from harm. This includes protecting children from maltreatment, preventing impairment of children's health or development, ensuring children grow up in circumstances consistent with the provision of safe and effective care and taking action to enable all children to have the best outcomes.

School procedures are in line with the DfE guidance, 'Working Together to Safeguard Children'. We record any incidents that give us cause for concern, monitoring incidents over time. In cases where child abuse is suspected, we will implement the necessary Child Protection procedures to protect those individuals and will cooperate with the investigating authority to promote the child's welfare, which will always be our paramount consideration, whilst respecting the rights and feelings of parents, carers, staff, governors and other parties who may be involved. This means that we may sometimes need to make referrals without informing parents. The staff with responsibility for Child Protection at St. Joseph's are Mrs Connell and Mrs Cooke. The governor with responsibility for Child Protection is Mrs Murphy.

# **Data Protection and Photographs in School**

Basic information about pupils is now held securely on the computer to assist with the efficient organisation of the school and the children's educational needs. The school complies with the General Data Protection Act Regulations and with all DfE guidance on good practice in managing pupil data and on taking photographs and videos in schools. The following occurrences do not constitute a breach:

- A parent/carer taking a photograph of their child and some friends taking part in the school Sports Day to be put in the family photo album.
- Grandparents who are invited to the school Nativity play and video it.
- Group photographs of pupils taken during a class session, school activity or special event, to be used in the school newsletter or prospectus.
- A photograph being taken by a local newspaper of a school awards ceremony, as long as the school has agreed to this and the children and/or the parents/guardians are aware that such photos may appear in the newspaper.

**Photographs you have taken of other people's children should not be put on the internet, including social networking sites.**

**We have some children in school whose parents do not wish for their pictures to be accessed in this way. Please respect this.**

On admission to school, parents are asked to read, sign and return the Parental Authorisation sheets in the School Admissions Pack. There is a comments section there to allow parents to specify if they do not wish their child(ren) to be photographed and / or have their pictures on the internet.

# Organisation of the Curriculum

Our school curriculum is organised to provide the children with their full entitlement to the requirements of the National Curriculum, whilst encompassing our ethos where Christ is at the centre, our locality of Goole and the specific needs of our children.

There are three key stages in a primary school. The first sets the standards for learning, development and care for children from birth to five and is called The Early Years Foundation Stage or EYFS. St Joseph's does not have a nursery, though we do take nursery aged children into the Foundation Stage under the early admissions arrangements. Details of these arrangements will be sent to prospective parents in the summer term before a child starts school in the following academic year. Key Stage 1 (KS1) is for Year One and Year Two children and Key Stage 2 (KS2) is for Year Three, Four, Five and Six children.

At the end of EYFS the teacher completes an assessment based on evidence gathered over time, called the EYFS profile. At the end of Year 1 the pupils take the Phonics Check. Pupils who do not meet the standard are re-tested at the end of Year 2. At the end of KS1 the teacher is required to make a judgement of attainment for Speaking and Listening, Reading, Writing, Mathematics and Science. At the end of KS2 there are Statutory Assessment Tests (SATs), alongside Teacher Assessments to make judgements in attainment for Grammar, Punctuation and Spelling, Reading, Writing, Mathematics and Science.

All of the above are national assessments upon which judgements are made about the school. The other year groups and all pupils throughout the year are regularly assessed through teacher assessment and on-going work. The progress of pupils is closely monitored by the Senior Leadership Team.

Children in St. Joseph's School are taught in mixed aged classes: (FS), (Y1,Y2), (Y3,Y4), (Y5,Y6). Class sizes for pupils in KS1 must, by law, be kept to a maximum of 30 pupils, and this is achieved through having mixed aged classes. We endeavour to keep KS2 classes to a maximum of 30.

St Joseph's School aims to teach a broad and balanced curriculum and we also teach English and Mathematics every day. The teachers in all classes follow a discreet subject-based curriculum which includes regular opportunities to consolidate English and Mathematics skills. Lessons are planned in consultation with the children, encompassing their interests and wherever possible, encouraging them to lead the learning. As a Catholic school, Gospel Virtues are at the heart of all that we teach.

## **The Early Years Foundation Stage Curriculum**

The Foundation Stage teacher plans from the seven areas of learning in the Statutory Framework for Early Years Foundation Stage, alongside developing children's characteristics of effective learning. The teacher uses first hand experiences as well as regular opportunities to develop skills, knowledge and understanding through structured play, and supporting child led play. Children get regular opportunities to explore, practice and develop their skills in an exciting and carefully planned environment, with regular opportunities to work in both inside and outside environments. Activities are planned with the children, leading through their interests. Staff regularly observe the children playing and use this information to plan the next steps for the children's learning.

## **Religious Education**

We deliver our RE lessons with the support of the Diocesan recommended scheme, 'The Way, The Truth and The Life'. This scheme teaches and supports the children with the principles of the Catholic faith. To see this in more detail, please visit our Religious Education section of the website.

## **English**

In English we teach a broad curriculum covering reading, writing, grammar, handwriting and speaking and listening. We draw on a range of high quality materials to enhance our provision of writing, and have invested in a new reading scheme which is phonetically decodable for our early readers.

We study high quality texts, both modern and classical, including the Narnia Chronicles, Wonder, and Tom's Midnight Garden. Children have access to a modern and inspiring range of books in our school library, in addition to a personal reading book. Parents are encouraged to read with their children at home, and help them progress through our rewards based reading challenge.

Our aim is to develop confident and independent readers who possess a love of reading to take with them through life. We inspire our children to be creative and fluent writers enabling them to write for purpose, audience and effect in a range of genres.

## **Phonics**

We follow the Letters and Sounds programme for the teaching of phonics. This allows us to teach phonics in a systematic and progressive way throughout our Foundation Stage class and children in Year 1 and 2. If we have any child who does not pass the Phonics Screening Check in Year 1, or the re-take in Year 2, then we provide additional support. Any child who comes to us with limited English speaking skills also benefits from additional support. It is our belief that being able to read fluently develops confidence in a child, and empowers them to take advantage of opportunities and experiences in later life.

## **Mathematics**

We use a range of resources, including the White Rose Maths Hub plans to support our teaching across school to ensure that there is appropriate breadth and depth in our mathematics curriculum. Pupils are given regular opportunities to learn, revisit and revise basic skills and memorise key concepts such as number bonds and times tables.

To build up fluency, children enjoy quizzes, RM Maths and Tables Mountains. We provide our children with access to online support and materials at home using Espresso and Purple Mash for making Maths fun. There are also many opportunities to develop mathematical reasoning and problem solving skills using large game-based problem solving equipment.

## **French**

To reflect the multi-cultural nature of modern British society, we introduce our children to the French culture. To enhance our provision, we follow a structured scheme 'La Jolie Ronde' which all KS2 children enjoy. We stimulate their creativity through songs, poetry, stories, speaking and listening. We also hold French themed days for the whole school, where children experience the delights of French food, French music and French art.

## **Art & Design**

In Art, we draw on local features, national and international artists to develop a love for all things creative, using different forms of media. Our programme is based on a series of progressive skills, and by the end of Year 6, our children will have a deep understanding and appreciation of the work of inspirational and local artists. They will demonstrate pride and enthusiasm in the creation of their own work, exploring a variety of styles and using an array of mediums and techniques.

## **Design & Technology**

Our DT provision uses a progressive skills based approach to allow our pupils to take part in designing, making, evaluating and developing their technical knowledge to access a range of different projects such as cam mechanisms, levers and pulleys. Alongside this children gain valuable life skills through the cooking and nutrition element of our provision.

## **Computing**

Our computing curriculum is based on Purple Mash and Espresso scheme of work. These ensure children in all year groups gain a comprehensive programme of study that allows their creativity to flourish, devising expressive multi-media stories, games and pictures. Our computing programme also incorporates how to stay safe on and off line.

## **Science**

At St. Joseph's our science curriculum is built around scientific enquiry whilst building the knowledge, skills and vocabulary to support the learning of our children. We use a well-researched scheme called 'Science bugs' through Active Learn Primary. Science Bugs is packed full of exciting lessons with a focus on hands-on science which will excite, engage and enthuse our learners.

## **History**

Our history curriculum is progressive and builds on key knowledge and skills each year. By the end of Year 6, our children will be confident historians, able to satisfy a deep sense of curiosity, evaluate various sources of evidence and understand how invasions, settlements and significant people continue to influence both the locality of Goole and the wider world.

## **Geography**

We aim to equip our children with geographical confidence. Through a variety of opportunities, children will be able to use their knowledge, resources and geographical tools to develop their curiosity and fascination in their exploration of the locality of Goole, Britain and the wider world.

## **Music**

Our music provision follows the award-winning, modern-day Charanga Musical School. We provide access to excellent and progressive lessons that draw on a wealth of resources and an extensive library. As part of this programme, children can access Yumu; a new, safe, online space where children will be able to learn, explore and develop playing and musicianship skills.

Our children also learn how to play a musical instrument (the recorder in years 1 and 2, and the ukulele in Years 3 and 4).

We have an active school choir who perform at community events, and we participate in the Bishop Konstant Catholic Academy Trust 'Big Sing Liturgy Thing' each year, a marvellous culmination of Catholic schools enjoying worship through song.

## **Physical Education**

Our PE provision is progressive and is enhanced by a specialist sports coach in partnership with Goole Area Schools Sports. The scheme of work covers Athletics, Gymnastics, Dance, Invasion Games and Outdoor Adventure. Children engage in high quality lessons which incorporate all their needs, helping them excel in a wide range of sports and develop a love of being active.

In keeping with our mission to achieve our Going for Gold certification, we give our children the opportunity to participate in school-to-school sporting competitions led by Sports Leaders from our local High School. Further to this, we are supported by professional coaches from Hull Rugby Football Club who run bespoke sessions, teaching transferable skills. Children are able to take advantage of the extra-curricular activity the coaches provide on a weekly basis.

Our school grounds are extensive and boast a fire pit, a wild life area, a cinder path used for the daily mile, and new wooden climbing equipment (ropes, swings, monkey bars etc).

## **Personal, Social and Health Education and Relationship and Sex Education**

As a Catholic school, we use faith inspired resources and programmes to enhance the teaching of relationships and health education within the context of a Christian understanding of human sexuality, rooted in the wisdom and teaching of the Catholic Church.

We are embracing “the challenges of creating a happy and successful adult life” by giving pupils knowledge “that will enable them to make informed decisions about their well-being, health and relationships.” (DfE Statutory Guidance). We will deliver this teaching through the prism of Catholic RSE which is taken from the model RSE programme by the Catholic Education Service.

We promote healthy lifestyles through the Change4Life programme, and utilise Growth Mindset for mental health and well-being.

**“I have come that you may have life and may have it to the full.”**

**(John 10:10)**

## **Other aspects of the P\$HE include:**

**Health Education**

**Sub\$stance Education**

**Road Safety Education**

**Fire Safety Education**

**Protective Behaviour/Anti Bullying Education**

**Life Skills (Risk Management)**

**Community Involvement**

**Support Groups**

**School Council**

**Citizenship, which includes life in Pre-modern/Modern Britain**

## **Healthy Schools Status**

We have Healthy School Status. We are wholly committed to the physical and emotional well-being of all our pupils. We believe that by actively investing in our staff and pupils' health, we are supporting the process of raising levels of pupil attainment and improving standards. We work hard to create a physical and social environment that is conducive to learning and development. As part of our Healthy Schools provision, we provide the following services:

**Ready access by pupils to drinking water**

**Playground Leaders**

**Daily Mile**

**Infant Fruit and Vegetable Scheme**

**School Council**

**Playground Buddies System**

**Extra-curricular provision**

**Breakfast Club**

**Tea Time Club**

**Chaplaincy Team**

**Eco-Warriors (Eco-Schools)**

**Mini-Vinnies**

# **Additional Activities**

## **Extra-Curricular Activities**

Extra-curricular activities help to develop cooperation, tolerance and good relationships. The school is often represented at local sporting events. We offer a range of extra-curricular activities depending on the availability of staff, coaches and volunteers and the time of year. Traditionally there are a range of sporting clubs including netball, football, rugby, rounders and choral.

We have access to peripatetic music teachers who offer tuition in the playing of the violin, piano and guitar, if there is enough demand. If your child is keen to receive musical tuition, please write a letter to the school requesting for your child to be placed on the Music Waiting List. Clubs and activities usually take place at lunchtime and after school. Parents will be kept informed of any sporting matches or events involving their children. An annual list of events is displayed on our PE board.

## **Community Links**

Our school is part of a wider community. Children take part in various inter and intra-school activities, both in the sporting and cultural spheres.

The school works hard to maintain and improve relationships with the parish and local community through a series of planned collaborative events: Christmas Fayre, Carol Service, Summer Fayre, Music Recitals and Masses.

Fundraising events are organised by classes. We believe that children need to learn the importance of charity and active citizenship from a very early age. Our main fundraising includes CAFOD's World Gifts Programme, the Gianna Project and the Good Shepherd Fund.

## **Educational Visits/Charging Policy**

Every year the school organises a range of interesting educational activities, workshops and/or trips for the benefit of particular classes or key stages or the entire school. These events are a planned part of each child's on-going education and development. Some activities will take place at external venues. Other activities will be organised within school but experts will be invited to lead the session.

Parental help is sometimes sought and gratefully appreciated on these occasions. This is naturally under the supervision of the class teachers. We have strict regulations in place regarding the number of helpers, transport arrangements, permission slips, etc.

With all educational visits, parents will be asked to make a voluntary payment to cover the costs of trips and/or outings. This is calculated by dividing the total cost of the trip by the number of pupils participating. No child will be excluded through an inability to contribute. However, in the event of under subscription, the activity may be cancelled.

We run a residential school trip for Year 5 and 6 to an activity based educational visit provider. Parents are asked to pay to cover the cost of board, lodgings and related activities. The school aims to provide value for money with the residential trip, and we would strongly encourage you to allow your child to attend this. Detailed information will be provided for parents at appropriate times throughout the year.

## **Parental Involvement in School**

We are very keen to welcome parents, carers and grandparents into school to help in any way they can offer. There are a variety of ways that you can help from general classroom help, helping out on trips, to hearing children read, working with groups for art and craft activities, etc. If you have skills and you think you can share them with the children, the staff will be happy to utilise any time you have to offer. Please speak to your child's teacher or Mrs Connell, who coordinates the parental helpers in school.

## **Parent Teacher Association**

We have a strong and thriving Parent Teacher Association in school who carry out many activities to raise funds for school, such as Christmas and Summer Fayres, etc. Not only do these events offer a wonderful opportunity for social interaction but they also raise much needed funds to enhance the life of the school.

All parents are welcome to join. Please get in touch with us if you have the time to spare and would like to help out. There are many and varied opportunities for parents to contribute to the life of school depending on home commitments. Busy working parents can support the school by purchasing raffle and event tickets. Parents with more time can attend the meetings to offer input and ideas. Very interested parents can be part of the team and bring their ideas to fruition!

## **Pennies2Pounds**

We encourage children to learn the benefits of saving money by operating a school based banking service with the Credit Union, called Pennies to Pounds. If you would like your child to have an account, please contact the school office staff for an application form.

## **Homework**

Pupil homework is seen as an important opportunity for supporting learning, whereby parents can work alongside the school to become involved in their child's learning.

Homework is assigned:

- To revise and consolidate work done in class.
- When the teacher feels a child would benefit from additional practice on some area of schoolwork.
- When a child has been absent and the teacher feels that it would help to make up work important to his/her progress.
- After a discussion between parents and teacher.

In Foundation Stage this involves reading practice, phonics work and games/activities to do at home.

In Key Stage One this involves reading practice, simple spellings, handwriting and memorisation of tables and other mental maths practice.

In Years 3 and 4 this involves reading, tables, mental maths, written work and oral work as well as work on-line.

In Years 5 and 6, children have weekly spellings and mental maths tests which they will need to prepare for at home. Children are expected to ready regularly at home. In addition to this, additional homework is set when needed.

Reading at home with children can be fun and very rewarding and can be done by grandparents or older siblings if parents are not available. Advice on how to read with your child will be given to you but if you want to know more, you could speak to Mrs Hill.

Failure to do this homework will impact directly on a child's learning and achievement. This requires parental supervision. Homework should be checked and homework diaries should be signed by parents. Parental feedback to teachers is always welcome. The presentation and completion of homework on time are very important skills for pupils to acquire.

If homework is not completed regularly, the teacher and will consult with parents to discuss ways in which this can be addressed.

## **Home School Agreement**

Please see Appendix D.

## **Weekly Newsletter**

Each week the school publishes a newsletter on our website with all the information required for the following week. It carries news, views and information that will help the school run more smoothly on a week-to-week basis. Please ensure that you check it weekly so that you are kept informed of what is going on in the school.

## **School Council**

In 2006-07 we started a school student council with elected members of the pupils meeting every half term to discuss relevant issues to the pupils' lives in school. There are two representatives from each Key Stage 1 and 2 class. The children work with Mrs Kelly to contribute to the agendas and take minutes for the meeting. The School Council is an exciting addition to school life and one that we hope will continue to have a very positive impact on how we do things at St Joseph's.

## **Breakfast and Tea Time Club**

The School has a thriving Breakfast Club which runs from 7.30 am every morning during term time – it does not run on staff training days. Children have opportunity to eat a healthy, hearty breakfast before engaging in a range of fun and stimulating activities. The cost of each session is just £4 which is payable in advance. If you want your child to attend the Breakfast Club, then you need to register the days of the week required. As the club is self-financing, all sessions booked must be paid for whether or not your child attends. We also run a Tea Time Club which started in the summer of 2018. This is now a popular aspect of our school provision and c runs from 3.30pm until 6pm. Please see the school office for further information.

# **Complaints Procedure**

Any concerns parents may have about the school curriculum and related matters will be considered and, as far as possible, dealt with through informal discussion with the Head Teacher and/or class teachers in the first instance. If this does not resolve the issue, or if the complaint is about the Head Teacher, then complaints may be made to the Chair of Governors, Mrs Catherine Murphy.

Cases which cannot be resolved informally will be deemed formal complaints to be pursued through the Governing Board. If you wish for your complaint to be considered by the Governing Board, you should write to the Chair of Governors at the school. The Local Authority will decide whether your complaint falls within the scope of what the law requires and will tell you about the next step. If the governors meet to consider your complaint, you may:

Attend in person and bring a friend or representative to the meeting. You can outline your complaint to the meeting and question those present,

or

Put your complaint in writing to be considered by governors at the meeting.

It is also in order for you to both submit a written complaint and to attend the governors meeting. You will be told what the governors decide and if you remain dissatisfied you will be told about the next step you can take.

If, after the governors meeting, you are still unhappy, you may ask the Local Authority to consider your complaint. You will need to state the complaint on a special form and send it to the LA. This will be looked at by a Complaints Committee of elected members of the County Council. (A committee nominated by the Diocese will hear complaints about Religious Education.) Your rights at this meeting will be the same as those at the governors meeting. You will be told of the committee's decision as soon as possible and advised about the next step if you remain dissatisfied.

Finally, if you are still not satisfied with the outcome of the previous steps, you may take your complaint to the Secretary of State for Children, Families and Schools. If matters reach that point and you need help in putting your case, the Local Authority will help you.

# Getting Ready for School

How can you best help prepare your child for school? Here are a few pointers in the right direction:

- Attend the induction meeting and bring your child to the visit days.
- Help your child to be independent, especially with dressing and toileting.
- Talk to and listen to your child to develop good speaking and listening skills.
- Help your child regularly; enjoy nursery rhymes and songs together.
- Encourage your child to have a respect for and a love of books; they can introduce your child to magic, mystery, excitement, knowledge and pleasure.
- Let your child see that you have faith and trust in the teachers and support staff.
- Try to give your child a calm, ordered start to the day; enjoy breakfast together! (I know that's easier said than done!)
- Take an interest in all that your child does at school and at home.
- Let us know of any medical or social problems that your child might have; it is important that we know as much about him/her as possible.
- Encourage your child to use Play-doh, explore cutting and sticking, use paints, crayons and pencils.
- If you are writing with your child, please use lower case letters and letter sounds; capital letters and letter names can cause confusion at the early stages of children's learning ... if you are unsure, talk to school.
- Try to develop politeness in your child and encourage good behaviour at home and school: we can only build on the foundation you provide.
- Please remember to mark all your child's clothing with his/her name; including coats and shoes.
- Participate in any social and fundraising events run by the school.
- Please give your child lots of praise and encouragement; we all respond well to praise!
- Remember that each child has different skills and knowledge and will develop at their own pace.

**Remember, this is your school!**

**We look forward to your cooperation, your help, your support and your friendship over the next few years.**

**God Bless!**

**INFORMATION FOR PARENTS**

You are required, under the Education Act (1996) to ensure your child attends school regularly. There is, however, a discretionary power held by head teachers to authorise absence in extenuating circumstances for up to 10 days in an academic year between September and July. This may include term time holidays but this is **not an entitlement**. The head teacher will only authorise holidays during term time in accordance with the East Riding Behaviour and Attendance Partnership 'Absence from School for Exceptional Circumstances Policy'. Head teachers will not authorise absences if they believe it is to the detriment of a child's education.

**There is no longer a provision in law for head teachers to authorise an absence for the purpose of a term time holiday.**

If your request is approved, you are required to ensure your child catches up on any missed school work. This is your responsibility and school are not obliged to provide work for your child to complete.

Any unauthorised absence will be recorded as unauthorised by the school on your child's records. This may result in legal proceedings against you, either through a Penalty Notice or the Magistrates Court.

**Penalty Notices**

With the implementation of the Anti-Social Behaviour Act (2003) the local authority has statutory powers to tackle poor school attendance and/or unauthorised absences. An unauthorised absence is any absence that the head teacher has not given permission for or where an explanation has not been provided by the parent or carer.

Penalty Notices will be used as a deterrent to prevent a pattern of unauthorised absences developing. They will be issued by post direct to the home of a parent/carer after possibly just one warning, or in the case of absences without acceptable cause, warnings may not be given. This includes pupils caught on truancy sweeps, persistent late arrival after the close of registration **or unauthorised absence that has not been authorised as an absence from school for exceptional circumstances**. In these cases the warning is given on the absence request form and detailed within this information leaflet.

If your request is declined and you still take your child out of school each parent within your household will be issued with a £60 penalty notice for each child you have taken out of school. If a penalty notice remains unpaid after 21 days it will increase to £120. If after 28 days it remains unpaid you may be summonsed to appear before Magistrates to explain why your child has unauthorised school absences and you may be liable for a fine of up to £1000.

If you believe at any stage that your child's absence from school may leave you liable for prosecution or a penalty notice, it is important you take action without delay to secure their regular attendance.

Support and guidance on attendance is always available and if you have any questions about this, or if you need help to achieve improvement, then please contact your school to discuss this.

**We advise that you do not plan for your child to be absent without speaking to your child's head teacher first to obtain prior approval. Head teachers cannot retrospectively authorise absence from school under any circumstances.**

**Please note the school day is divided into 2 registration periods; for example, if your child is absent for one day this equals 2 sessions and a five day absence equals 10 sessions.**

Further advice and support can also be made available to you through the education welfare service.

## **Diocesan Statement on Collective Worship**

It is the responsibility of every catholic school to provide for all its members a vital experience of liturgy, worship and prayer which:

- names and celebrates God present and active in authentic human experience
- is educative
- is within our Catholic tradition

The purpose of these experiences is:

- to give honour and praise to God
- to develop the school as a community of faith
- to assist pupils in developing their relationship with God, creation and the community of the Church
- to witness to the community and the wider world

Collective worship in our schools will be:

- properly planned
- adequately resourced
- recorded
- monitored
- evaluated

in order to ensure that the collective worship experienced within the school is a relevant, meaningful and positive contribution to the religious, spiritual and moral development of all members of the community.

.....

It is important that parents know and understand that as a Catholic school we will always strive to uphold this statement. We will be inviting parents to worship with us at various times throughout the year and we would like parents to know that all are welcome whatever your faith background.

- Through our example we will teach our children the Christian values of love, trust and forgiveness.
- We will model the behaviours which help the children build good relationships.
- We accept the responsibility to provide a school where children are cared for and kept safe.
- We will provide a broad and balanced curriculum through which each child has equal opportunity to progress, demonstrate and celebrate their achievements.
- Our expectations for each child will be challenging and achievable. We will expect them to be the best they can be.
- We will encourage our pupils to become independent learners who care for others and who develop into responsible citizens.
- We will ensure that each classroom is a positive and stimulating learning environment.
- We will maintain the skill levels of all staff by appropriate training and support.

Signed : *Mrs Connell* (Head Teacher)

**As a parent –**

I will work in partnership with my chosen school by:

- Supporting the personal and social values which the school is encouraging my child to respect.
- Maintaining a high attendance record and not condoning unnecessary absence, including when making medical appointments and planning holidays.
- Supporting my child with their homework and helping them to reach their full potential and encouraging them to work well at school.
- Bringing my concerns and worries to a teacher and sharing information about something which may affect my child's performance in school.
- Giving the school the opportunity to resolve any issues by discussing them with a member of staff.
- Using every sensible opportunity to find out about my child's work and progress.
- Encouraging my child to contribute to the life of the school by supporting their attendance at important celebrations outside the school day. E.g. by attending services held in church.
- Informing the school if I am, or my child is, unable to attend an appointment or event I have signed for us to attend.

Signed.....(Parent / Carer)

Additional guidance about all aspects of this agreement can be read in the school's published policies e.g. on attendance, behaviour, curriculum, Special Educational Needs.

**As a child –**

I will show my pride in being a pupil at St Joseph’s School by:

- Working hard so that I am proud of what I can do and my family, teachers and friends can be happy at my success.
- Behaving sensibly and responsibly at all times.
- Playing cooperatively and safely, forgiving those who hurt my feelings.
- Avoiding arguing or fighting but where a relationship breaks down I will look for a just solution with the help of others.
- Making a contribution to the life of the school by attending after school celebrations and events such as plays and concerts.

Signed.....(Pupil)

**Head Teacher: Mr; T Connell  
Chair of Governors: Mr; Catherine Murphy**

Dear Parents

At St Joseph's School, we recognise that your child is our responsibility and concern. We want to work in partnership with you, and discuss with you, any concerns we may have or that you may have.

It is a priority to inform and involve you at every stage in your child's time at the school.

Since the first priority is your child's welfare, there may be rare occasions when our concern about your child means that we have to consult other agencies even before we contact you.

The East Riding Safeguarding Children Board has laid down the procedures we follow and the school has adopted a Child Protection Policy in line with this for the safety of all. The policy is on the school website, paper copies are available from the office on request. We will have to make a small charge to cover the cost of photocopying if you wish to keep a copy.

If you want to know more about our procedures or the policy, please speak to the Head Teacher, your child's class teacher or myself, as the Governor with responsibility for Child Protection.

Yours sincerely

Mrs C Murphy  
Chair of Governors

## **PUPIL DATA**

Below is a list of the information we hold in school about pupils.

- Name
- Date of birth
- Gender
- UPN (unique pupil number – this ensures when children move school any records passed on are theirs)
- Address
- Telephone numbers of parents
- Dietary needs, ie dairy intolerance
- Medical details, ie eczema, asthma, hearing
- Ethnicity
- Home language
- Religion
- Free school meals
- School history – previous nursery/school
- Doctor – on C3 health form
- Teacher and test assessment results
- Child protection records as appropriate.

With your permission, this may be shared with other Goole schools as necessary.
