Dear Parent/Carer

Nominating your child as 'Talented'

At Watton at Stone Primary and Nursery School we are raising the profile of our more able pupils within the school and aim to promote the talents of all our pupils. We would like you to help us to add to our class more able registers. We keep these registers to identify and support children, of any age, who demonstrate exceptional ability or talent. One of the main aims of our More Able policy is that we should include and recognise talent and ability, across the widest possible range of performance areas and not just the academic. To meet the agreed criteria, a 'talented' child "must have proven exceptional ability and perform at a high level for their chronological age." For example, representing the district or county in a sporting activity would qualify.

Although school may be aware of your child's ability in an activity in which they excel out of school, it is possible that there is something we do not know.

To nominate your child, please log into the gateway app and under the payment section choose the 'More Able Register'. You will need to either email your evidence to admin@wattonatstone.herts.sch.uk or bring it to the school office.

We very much hope this process will both raise awareness about and encourage the development of the talents held by children who attend Watton at Stone Primary and Nursery school.

Yours sincerely,

Mrs N Etienne
