-A high percentage of children present with delayed personal, social and emotional skills.			
-Many children have limited life experiences.			

-Many children have limited play skills.	
-Some children have Special Educational Needs and Disabilities.	
-Some children have little or no English.	
-Many children require support to develop characteristics of effective learning.	
<b>Barriers to Future Attainment – Eligible Pupils</b>	
<b>External</b>	
-Some children are impacted by family issues and home circumstances requiring support from Children’s Centres and Social Care Teams at TAF level and above.	
<b>Desired Outcomes – Eligible Pupils</b>	
<b>Success Criteria</b>	
-To improve the speech and language skills of children in their Nursery Year	Children in their Nursery Class make rapid progress by the end of the year so that they achieve expected outcomes in line with their peers.
-To improve the children’s PSED / Well-being and Involvement	Children in the Nursery Class are confident, independent learners ready for transition to Reception Class.
-To increase parental support for children at home and in school	Parents are supported by school and partner agencies to further develop parenting skills and increased engagement in their children’s development and learning.
-To provide enrichment of children’s life experiences within and beyond the school environment	Children are supported to develop characteristics of effective learning by taking part in a School Outing to a local farm, visits to local places in their immediate environment and engaging with visitors to the School.

<b>Planned Expenditure – 2019-2020</b> To adapt classroom pedagogy, provide targeted support and support whole school strategies

					£700.00
<b>Total</b>					£9500.00

**Review of Expenditure – 2018-2019**

-Activities and expenditure for the academic year 2018-2019 were continued into the academic year 2019-2020 due to the positive impact.

**Overall Impact – 2018-2019**

-There was an increase in the percentage of eligible pupils achieving expected outcomes as an average of all Aspects.

-There was a diminished difference in progress between those eligible and their peers.

-All eligible pupils made expected progress with a percentage making more than expected progress.

-There was an improvement in overall outcomes for Communication and Language, and Personal, Social and Emotional Development.

-Parental involvement with the School has increased through a range of activities.
