

Science—Light & Shadow

Finding out about light sources, the Sun, reflections, darkness, transparency & shadows.

Sound Finding out about vibrations and how sound travels. Investigating how different musical instruments work & how the sound can be changed.

Physical Education

Invasion Games & Yoga

French

How to describe where you live, how to give directions and talk about your school, the time and the weather.

ICT—Programming

Algorithms, Nested Loops, While Loops, Conditionals, and Events, Controlling a Screen Turtle

Design Technology

Musical Instruments

Linked to Science/Geography

Topic—The Home Nations

Mr Jones and Mr Williams

Year 4 Autumn Term

Geography

Where have we travelled to?

What is it like in Stroud/England?

What is it like to take a holiday in the UK?

What is the Geography of England,

Wales, Scotland, Northern Ireland and the Republic of Ireland? How are they the same? How are they different? How would we get to these countries? Why should we visit them?

Music

Exploring Sounds, Song Structure & Instrumental Skills focussing on the work of Abba and exploring playing the glockenspiel

Art

Investigating colours & mixing shades. Researching & creating 'Op Art,' using optical illusions & highly contrasting colours.

PSHCE

Mindfulness

New Beginnings

Citizenship & British Values

RE What kind of world did Jesus want?
How do festivals and worship show what matters to Muslims?
