NEW 'Curriculum Project'

Last week we started the NEW half termly 'Curriculum Projects', which are replacing the BGfL projects as they aim to be a bit broader. The titles of these projects are below and they relate to the topics children are learning about each half term in class. Children have until the Monday of the last week of every half term to complete their project. So the date projects need to be completed this half term is **Monday 21st October**. Children might choose to complete it on BGfL, produce a booklet, make a model or sculpture, write a story or create a poster... whichever way they would prefer! Remember this is a project so time can be taken to complete it. The winner of each year group will get announced in the last Wednesday assembly of each half term.
