

## Starlings Class Newsletter \_ September 2019

### What have we learned this week?

This week we have been working on our listening skills. We have enjoyed being silly, wearing our big listening ears and have explored different sounds in our environment both inside and outside the classroom. To challenge the children further, we played a mystery bag game. We had to shake, listen and search for the sound in the classroom. They were brilliant!

We also enjoyed exploring autumn with all of the materials the children brought in from their autumn walks.

### Photos of the week!

### Home Learning Challenge
