ROBINS: Casper, Alfie and Soriya.

BLACKBIRDS: Paige and Sophia.

WOODPECKERS: Rory and Keegan.

SWANS: Edward and Penny .

KESTRELS: Amelia, Natalie and Finlay S.

Parents' Evening Online Booking System

Tuesday 15th and Thursday 17th October

This term, we are going to be using our website to book your appointments for Parents' Evening. Next Monday, you will be sent a log in. Go to the **website > parents > parents evening**.

When you have logged in, choose your times for your child/children. These will be on a first come, first served basis. If you are unable to make these times, please speak to the class teacher who will aim to offer you an alternative time.

May I please remind you that photos and videos of Star Assembly are for your own personal use and should not be uploaded to any social media site. Thank you for your cooperation.

Reminder

We have had some teething problems with our Facebook page. We wanted to make sure it was all secure for all the children. All the settings are now in place. You can find the link on our main website page, and we have started to add new stories

Facebook is Fixed!

We are currently gathering quotes for an exciting project supported by our Friends' Association. The sound and projector system will be so useful for us in many ways, from our curriculum work, assemblies and productions.

We are looking forward to sharing all these special events with you in surround sound .

New Hall Equipment

Macmillan

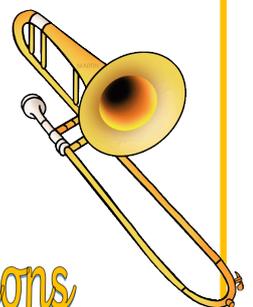

Our Macmillan Coffee Morning was a great success last Friday. Through your generosity, we raised a superb £183.

We are really pleased!

THANK YOU!

Our children in Kestrels have been given a great opportunity with Avon Valley Brass Band and Severn Arts Music Service. Due to a kind donation, we will be able to provide eight weeks of brass tuition. This week, the new teacher came into school and gave a brass demonstration and was really pleased with the children attempting a 'buzz noise'. Watch this space for more news!

New Brass Lessons
