World Mental Health Day

Thurs, 10th Oct
World Mental Health Day celebrates **awareness** for the global community in an **empathetic** way, with a **unifying** voice, helping those feel **hopeful** by **empowering** them to take **action** and to create **lasting change**.

To show our support for this, we are asking all the children (not C7 as they are on a school trip) to wear something yellow. (Non-uniform day)

Year 1 parents

It was lovely to meet the parents who came to the Year 1 evening and we are glad that you found it so useful and informative. Thank you for the really positive feedback and for the ideas for future workshops. For those who couldn't attend, some booklets will be given to you at Parents' Evening and information from the evening will be put on the school website.

Important reminder - please do take notice of the red zone 'no parking or stopping' signs. These have been put up to **keep all our children safe**.
