Dear parents,

It has certainly turned colder and much wetter this week. Please can you ensure your child brings in a warmer coat for the colder days as we try to keep our children out as much as possible. The children do like to stay out on the field regardless of the weather but will need welly boots to be able to play on the field in the wet, muddy weather.

This week we have had a very empty school with our year 6 children out on their Residential trip. They have had an amazing week with such a wide variety of activities. They've all pushed themselves out of their comfort zones and have achieved so much this week. Their clothes are absolutely filthy from the muddy tunnel and raft building but they have all had an incredible experience. Thank you so much to Mrs Carey, Miss Essenhigh and Mr Peters for giving up their time (and sleep) so willingly to give our children the experience. The children and adults will be exhausted by Friday night.

Our new year R children had their first school photo this week. Do keep an eye out for the photograph in next week's **Medway Messenger**.

Next week we will be holding our annual Harvest Celebration and Porridge Week. The money raised through Porridge Week will be donated to Mary's Meals where it costs £13.90 to feed a child for a year. You will have received a letter letting you know which day your child will be making their porridge for you to send in their toppings along with a donation of £2.

Our Harvest Celebration will be at St. Peter's Church next Thursday at 11.15a.m. We do try to let you know if your child is participating in church as the space in church is very limited. Fir Tree class will be singing and the rest of the school will be talking about water as this is our harvest theme this year.

We are asking for any food or toiletries donations during the course of the week. Our donations will help people directly in our local environment as the donated items will be collected by the local food bank. We are hoping they will also come into our Worship and talk to the children about their work. The children asked for their contributions to go to the local foodbank as they wanted to give back to local children and local families and came up with the idea after seeing foodbank collection points in the local supermarkets.

Don't forget to sort out any unwanted cuddly toys for Pumpkin Morning. Any donations can come into the school office during the next two weeks. There is also a signing up sheet on the playground for any donations.

I look forward to seeing you all there next week.

Best Wishes

Mrs Cox

British values We are talking about democracy and what it means to our children. Please discuss with your child about Brexit as many of them are very interested.

Don't forget to keep an eye on your child's apps and make sure your parental settings are keeping them safe and secure. For more info see:- Saferinternet.org.uk.

On Friday the school photographer will be taking individual photographs of the children including siblings. If you have a pre-school child/baby and would like them included please wait outside the office on Friday morning after drop off.

Please be advised there is NO PARKING in the village hall for Pumpkin Morning as the hall is hired out all day.
