4th October 2019

Dear Parents/Guardians,

On Wednesday 16 October 2019 we will be holding a 'Phonics Workshop' for all parents/guardians with a child in KS1. The workshop will start at 5.00pm in the school hall and will finish at approximately 5.30pm.

We appreciate that phonics is often an area of the curriculum that parents are unsure about, so we feel that it is important to provide you with an understanding of how we teach phonics at St. Paul's Walden. The workshop will provide you with fun and engaging activities to support your child's learning at home and will also show you how children apply their phonics when reading and through independent writing.

Feedback received from previous workshops we have held shows that they have been invaluable to parents/guardians. They also have a direct impact on the development and attainment of the children.

We look forward to seeing you and thank you in advance for your support.

Kind regards

Mrs Smith, Mrs Dollman and Mrs Foster
