

Sports Premium

The P.E and sport premium is designed to help primary schools improve the quality of the P.E and sport activities they offer their pupils.

At Boynton Primary School, we value the role that PE and sport plays in both the curriculum and the wider life of our school community and appreciate the potential it has to change young people's lives for the better.

We have welcomed the Government's announcement to provide additional funding until 2020 to improve provision of physical education and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people. This funding is ring-fenced and therefore can only be spent on provision of P.E and sport in schools.

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5-11). All schools with 17 or more primary aged pupils will received a lump sum of £7,535 plus a premium of £5 per pupils. Smaller schools will receive £475 per pupil. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

For example, you can use your funding to:

- Hire qualified sports coaches to work with teachers
- Provide existing staff with training or resources to help them teach P.E and sport more effectively.
- Introduce new sports or activities and encourage more pupils to take up sport.
- Support and involve the least active children by running or extending school sports clubs and Change4Life clubs
- Run sports competitions
- Increase pupils' participation in the School Games
- Run sports activities with other schools.

The total allocation for Boynton Primary School is £16,570.

It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles	
2. The profile of PE and sport being raised across the school as a tool for whole school improvement	
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport	
4. Broader experience of a range of sports and activities offered to all pupils	
5. Increased participation in competitive sport	

Sports premium funding expenditure 2019/20

Specific objective What we want to do?	Time scale and cost	Who	Sign of Success/Impact When we have achieved our objective we should see?	Linked to key indicator	Strategies What have/are we going to do to achieve it?
To develop Young Leaders in Year 5/6 to run lunchtime and sporting activities for younger sports group with a festival at the end of the Summer term	Autumn 2019 – training On-going activities most lunch times.	HJ to arrange for someone to come and carry out Young Leader training Young leaders to run sessions	Year 5/6 children will be running activities and games for the younger children on a lunchtime Young leaders to help run inter competitions with KS1 throughout the year		Support from Bridlington Sports partnership to run afternoon Young Leader training session Provide all young Leaders with caps so they are easily identifiable
To encourage more physical activity through play and games at lunch and playtimes	Spring 2020 – sort shed by Summer 2020 – sort equipment	HJ to first sort out the sports shed and then meet with young leaders, to discuss resources and equipment.	Children more actively taking part in games/sports and developing gross motor skills, co-ordination and co-operation		Purchase new equipment for young leaders to use with children on a lunch time and playtime to encourage physical movement
Children to experience new sports	Spring term 2020	HJ to arrange coaching and organise clubs	Children will experience and enjoy new activities, which engages and encourages them to take part in that future activity		KS1 children cricket club

and activities that they have never tried before		and events to bring in new sports.					HJ to arrange KS1 and KS2 clubs over lunch time
To use the expertise of a PE coach to further support and develop the teaching of PE.	All Year £2925	HJ to communicate with coach regarding long term planning	KS2 get more consistent quality within PE sessions. Sporting activities available after school. Children trying new sports and activities. Programme builds skills of all abilities of children. Increased fitness of children. Greater enthusiasm of children for sport and fitness. Gradual improvement in teacher's knowledge of PE pedagogy.				<ul style="list-style-type: none"> All children in KS2 have received coaching in invasion games from qualified coaches. Staff have gained new and further knowledge of techniques and have been/ or will be able to apply these to their own teaching.
To give children further opportunities to participate in interschool competitions Bridlington School Sports Partnerships	All Year £1750		Online access for PE and school sport resources. www.thessp.org.uk Consistent approach to competitions and festivals.
