Our Parish SVP will be holding a special collection after Mass next weekend so they can continue the work of the church in the parish of supporting families and children in great need within our local communities.

St. Anne's Church Restoration: the work began over 15 years ago and the final phase of the restoration is the re-lighting of the church. We have £24,000 left in the appeal fund and with a grant and the weekly Bucket Collection and some monthly donations, we will reach about £29,000 in April next year. All the permissions required have been granted and we can begin work after Easter next year which will cost £32,000. We are very close to the target so please continue your generous donations to the restoration fund so all the work will be complete and paid for by 2020. Fr. Michael would like to thank all the parishioners who have worked so hard and with such generosity over the past 15 years to enable this restoration of St. Anne's to take place and to see it completed.

Please note: Mass on Tuesday a Requiem at 10.00am and no evening Mass at 7.30pm.
