Teacher

ALLERGIES

Many parents are now aware of the increasing number of children who suffer allergic reactions. A child with an allergy can be affected even if, for example, the product that they are allergic to is in someone else's lunchbox or on someone's hands following eating the product. We have a number of children with allergies in the school and therefore ask that everyone cooperates by not sending in the following products.

All nuts including horse chestnuts

Eggs - hard boiled and egg sandwiches

Any breaks or packed lunches brought into school must not contain the above products.

PLEASE NOTE: Many chocolate spreads DO contain nuts. Please check ingredients carefully.

Recyclable materials e.g. cardboard from products containing nuts must not be brought into school for junk art.

Unfortunately, due to issues arising from the labelling of products, birthday cakes must not be sent into school.

Term 1 A Meetings
Thursday 3rd October
Thursday 17th October

Term 1 A Meeting
Thursday 10th October
