

This Week at Stockingford...

Happy Friday everyone!

Thank you to everyone who completed our parent questionnaire. It's so helpful for us to understand your opinions of Stockingford Academy as we develop our plans for School Improvement. The results will be sent home for you to see with today's newsletter and they make great reading overall. I was delighted to see how many of you appreciate the care and attention staff take with lessons and the pastoral care of our children. We understand there are areas for us to develop and I'm sure you'll be pleased to find out some of the ones you highlighted are already in progress. A new website is currently under development and from what I can see in classrooms, children seem excited by the new homework choices. Congratulations to the family of Rose in Year 5, who won the Amazon incentive voucher.

As we continue to clear and sort out the school buildings, we are finding some equipment and books that are no longer needed. Next Thursday, after school, in the Studio, there will be a table top sale. Do pop along and see if there's anything that you would like to purchase for home! This is likely to be the first of several of these events! We will be saving the money to help buy new toys and games for the children when it's a wet playtime.

World Mental Health Day

On Thursday 10th October, it is World Mental Health Day. During next week, we will be talking to the children about how we can all work to be as mentally healthy as we are physically healthy. We might be helping children to think about being resilient, how different emotions feel in our bodies or what to do if we feel worried or angry. As a focus for the week, Thursday is a non-uniform day where, if possible, children should wear something yellow which is the campaign colour.

Harvest Festival

On Wednesday 16th and Thursday 17th October we will be taking the children to St Paul's church for a Harvest Festival. Sadly, because of space, parents will not be able to join us for this event. From Monday 14th October we will be collecting donations of food and toiletries in school which will be donated to the Food Bank. Thank you for your support for this worthwhile cause.

Have a wonderful weekend!

Mrs Bowser

The School Calendar

Upcoming Events!

15th October	Design Technology Enrichment Day -Building Bridges

Half term	28th October-1st November
4th November	TEACHER TRAINING DAY
5th November	Children back to school

Many Thanks for the support

We have raised a fantastic £160 from our Reception Coffee Morning

Other News at Stockingford Academy

Year 6 had to use their skills as part of a Disaster Response Unit team, to solve a range of challenges, including creating a flood defence barrier to protect a house. Teamwork, planning and building were very important

throughout. It was a great introduction to our theme this term, 'Disasters' and everyone is looking forward to completing more challenges in the weeks to come.

Parents please remember when in school not to use your mobile phone.

This is to keep our children safe. Thank you for your support

Important Reminders

No children must be left unaccompanied on the school premises. If your child arrives before 8.30am, you may choose to use the Breakfast Club facilities located in the Clubhouse for £4.50 a session. Breakfast Club starts from 7.45am and is supervised by trained staff members.

Online Safety

It has become apparent that a number of children in Year 5 are using the social media platform TikTok and some issues regarding inappropriate use have been brought to our attention. Please talk to your children about their online habits and make sure that they are keeping themselves and their personal information safe. TikTok itself requires users to be at least 13 years old, but many Internet Safety groups recommend that this particular app is more suited to children 16 years and above, mainly due to privacy issues and its content. More information can be found online at UK Safer Internet Center.
