Weekly Message

Welcome to our new & improved newsletter. We hope you will find it helpful and informative. This will be emailed every Friday.

I would like to welcome you all back after a glorious summer. We are well and truly into the autumn term and the children have settled back in tremendously. The year 2s have certainly stepped up their game and are now at the top of our school, acting as superb role models to our youngest children. Our Reception class are in full time (some very tired children and staff), but it feels as though they have always been here. They have taken to it like ducks to water and we are so proud of all that they have achieved in such a short space of time. As I walk around the school I am continually impressed by the learning that is happening. As you already know 'Muck, Mess and Mixtures' is our theme in year 2, 'Memories' is our theme in Year 1, Reception class have a theme of 'Do you want to be Friends?' And the theme in Nursery is 'Why do you love me so much?'. These certainly captured the imagination of all our children. We welcome Mrs Till into the school office who has taken up the role of administrator.

This Weeks Attendance

NURSERY – Miss Braime

In Nursery this week, we have enjoyed learning about ourselves and why we are special. We all painted our self-portrait and could describe our likes and dislikes.

YEAR 1

Year 1 have had an amazing couple of weeks back at school. They have settled so well into their new routine and they are enjoying their learning. Year 1's have started a topic called 'Memory Box' and they have looked at lots of old photos from when they were little.

RECEPTION – Mrs Haddock

We welcomed everyone into our new class and found out how to learn in our classroom. We had dinner in the hall and read lots of stories about "starting school."

We started our topic "Do you want to be friends?" by taking photographs of the adults that help us in school. We matched the job to the adult and wrote about them in the writing area.

YEAR 2

Year 2's have started a topic called 'Muck, Mess and Mixtures' and they are doing some work all to do with George's Marvellous Medicine by Roald Dahl. They loved taking part in our 'Messy Morning' on Monday. In maths we have been partitioning numbers into tens and ones.

Notices

- Please can all parents and carers ensure that the main school office has up-to-date email addresses. As a school we are trying to find prompt and reliable ways to send important information home. If you do not have an email or would like a paper copy please call into the office so we can make a note. All letters will now be available on our school website www.wheldoninfants.co.uk
- Please can all children have a PE kit in school at all times, as PE times vary over the week between classes. We have a Gymnastic coach in school on a Thursday running lessons for our main school children.
- Activities after school club letters have gone out this week. If your child would like to take part please return your slip with payment to the office ASAP. Clubs will be allocated on a first come first served basis. Bookings will not be allocated without pre-payment. If a club is full all payments will be returned immediately.
- After school club is now open. If you would like your child to attend after school club please collect a booking form from the office.
- Breakfast club is open every morning from 8am. This does not need to be booked before hand just turn up and pay on the day.
