

Welcome

Welcome to Year 3 from your class teacher Miss Binder and your teaching assistant Miss Guy! Your children have made a super start to the year, getting straight in to work and learning the Year 3 rules, routines and responsibilities. We are looking forward to getting to know your children and hope you are excited as we are.

P.E

P.E is on a Tuesday and Thursday afternoon. Children should have pumps, shorts and a house coloured PE top. Children should also have an outdoor kit with them. Both kits should be in school at all times.

Reading

Children should read at home at least 3 times a week. Please sign their diary each time you read with them. Children reading 3 times weekly will be entered into a draw, with the winners getting a trip to Waterstones.

TT Rockstars and Spelling Shed - Children will receive logins for these to practise on them in their own time.

Topic Homework

The topic for this term is 'On our door step'. We will be studying lots of different topics linked to this theme: exploring our local area using maps and compasses, looking at famous explorers from England and planting our own bulbs and plants in the garden and observing these over the year.

Children will receive challenges linked to the topic they are studying. The children will receive house points if they complete these challenges.

Class Newsletter

Autumn Term

Water Bottles

Children should bring their water bottles full each morning in to school. During the day, they will have opportunities to drink from their water bottles. Keeping hydrated helps our brains to work better!

Year 3 Earhart Class

MEET THE TEACHER!

On Thursday 19th September at 3pm, we are holding a 'Meet your teacher' meeting where we will go through the routines for Year 3, including uniform and homework. This is an opportunity for you to ask questions. This will be held in the Year 6 classroom and you can enter through the Y5/6 entrance in to school.

We hope to see you there!

School Trip

As a part of our topic 'On our doorstep' we are looking at amazing places and spaces in the local area. This term we will be visiting Clayton and a different local amazing place to visit. A letter with further details will be given out in the near future.

Family Challenge

This year we are continuing to challenge our CVPS families to make even more happy memories. Each week we will be setting a family challenge via social media. We would love you to share your experiences with us via twitter or maybe even adding some writing and drawings into your homework books. For every family that completes their challenge 2 house points will be rewarded! Challenges will include, climbing trees, making dens, jumping in muddle puddles and making sock puppets! We cannot wait to see what you get up too!
