

## Newsletter October 7<sup>th</sup> 2019

### Assembly

This week we are thinking about what a good friend would be like on our playground at break and dinnertimes. We are trialling new ways to encourage our children to get on with each other. In our assembly we talked about the things we would like to see our friends doing and how we can make our playtimes more enjoyable for everyone by being a better friend.

### Open Evening

It's open evening this week at Lord Street. We are showing prospective parents around the school from 2pm till 3pm and then from 6 till 7.30 in the evening. We are inviting some children to come back to school in the evening to help show off our lovely school. If you are coming back please ensure your child has on full school uniform. Thank you.

### Packed Lunches and Break Times

A polite reminder about packed lunches. Firstly, we have several children with nut allergies. Please do NOT send nuts into school. Secondly, please don't send children in with sweets or chocolate bars in packed lunch.

All children in KS1 and Foundation get a free piece of fruit everyday at break. In KS2, we are happy for children to bring a piece of fruit in as a midmorning snack but biscuits, chocolate and crisp are not allowed.

### Bikeability

Well done to all our Year 5 children who have participated in Bikeability last week. We want you all to be competent and safe cyclists. It's the turn of our EYFS children this week and they will be practising balancing and cycling safely in our playground.

### Sing Together

We are working on an exciting new Sing Together project. We have been very lucky to be allocated a place and more details will be sent out for those children who are taking part this week. We had our first session last Friday and it looked as though it was great fun.

## Year 6 High School Applications
