Parents' Association

Dear Parents / Carers,

I am pleased to see how well the children have settled into their new classes and are getting used to their school family.

I am writing to remind you that you too are part of our school family and play an important part in shaping the success of the year.

At Whitehall Infant School we are lucky to have such amazing support from our families. Parents and carers of the school are all automatically members of our Parents' Association. We have had a very active Parents' Association for the past few years but unfortunately it has recently lost some of its members due to children leaving the school.

So that we can start the year with a strong Parents' Association I would like to request that we have a Parents' Association representative from each class. This means that we would have a larger group of people able to help arrange events to benefit the school family and generate funds to enrich the children's experiences.

As a class representative, you will be asked to attend the Parents' Association meetings (as many as you can), help plan events, help on the day at events, ask for volunteers and help from other parents in your class and be the voice of parents in your child's class by passing on any suggestions or ideas that they may have to the Parents' Association.

Please nominate yourself if you are able to give up some time to assist the Parents' Association in making your child's school life the best it can be. **Please complete the slip below and return it to the main school office by Friday 20th September.** We will pass your details on to the chair of the Parents' Association who will be in contact with you.

Your support with this is greatly appreciated.

Yours faithfully,

Manjit Bringan
Headteacher

Parents' Association

I would like to nominate myself to be a class representative on the Parents' Association.
