

### **Did you know!**

School has to have information about you and your family.

### **What information do we have?**

Some of the information we have is your name, address, date you were born and any allergies you

## **KEEPING YOUR INFORMATION SAFE**

### **Why do we have your information?**

So we can teach you and keep you safe in school

### **How do we use your information?**

We use your information in lots of ways such as creating our registers, recording your attendance and assessing your progress
