

COMPASSION COMMUNITY COURAGE CURIOSITY

WELCOME BACK TO OUR COURAGEOUS AND ADVENTUROUS CAMPERS!

It has been wonderful hearing many camp highlights from our children and staff. So many strong learning experiences were packed into 3 and a half days! I have no doubt that you will have been sharing magic moments through the week end and sharing stories with your child. We are immensely proud of every child for throwing themselves into every activity and facing so many challenges with a smile on their face! I would like to say a very big 'thank you' to Mrs Scott, Mrs Wheeler and Mrs Sinclair for their boundless enthusiasm, great sense of humour and commitment which made the trip such a success. Thank you to all of our parents too for supporting your child to attend camp. I'm sure you will agree that it is these experiences that our children will **never** forget.

With warmest wishes,
Sophie Westerwijk

COMMUNITY

What a positive start to the new week seeing Ella Palmer-Jenkins and Noemi Kaszab working with our children to hang prayer ribbons on our school fence. Each child was asked to choose a colour and think of a prayer before attaching their ribbon. Thank you to our two kind parents for helping to bring our community together in such a positive and memorable way.
