PARKING

Unfortunately it has been drawn to our attention that there is still some dangerous and inconsiderate parking around the school. We appreciate drop off and pick up times are busy and parking can be tricky but please can we reiterate the need to park responsibly and with consideration for residents. The police have advised us to ask parents to contact either themselves on 101 or Daventry District Council on 01327 871100 to report dangerous parking. Please can we ask for your support with this issue and we hope together we can ensure the safety of the children and show consideration to our local residents.
