Excel School in Rwanda

Dear Parents/Carers,

As many of you may know, we at Bransgore School are continuing to sponsor Elia through his education in Rwanda. We really appreciate your support in helping promote this global school link.

Excitingly, over half term, Mr Brown is visiting Rwanda with the Diocese and is intending to see Elia and his school.

We would like to raise money to fill Mr Brown's suitcase with educational games, as a gift for the children at Excel School. They were so thrilled by the maths sets we sent two years ago. We feel it's really important to share our learning resources where we can.

The games we have selected cost approximately £5 each so we would be very grateful for any donations towards this. Please send any money to the office.

With thanks,

Mrs S Waite, Mrs L Emecz and the Bransgore School Global Ambassadors Council
