

Rugby Tournament

On Wednesday a group of Year 5 and 6 children competed in a rugby tournament at East Retford Rugby Club. The team represented the school brilliantly, trying their best in every game and displaying great sportsmanship. The afternoon was very successful, coming 4th out of 9. Liam Edmunds really showed some fabulous skills, scoring 12 tries (we think - as he scored so many, we lost count!). He even impressed the semi-professional rugby players who were refereeing for us, which has earned him the new nickname 'the machine'. A big thank you to the parents who came to support us and transport us.

Harvest Festival

Thank you to everyone who contributed to our harvest celebration this morning.

Money App

There is a great new app that helps teach your child about looking after their pocket money. Developed by researchers and educators, Gimi uses scientific methods to prepare young people for life's financial challenges.

The app is free and recommended from age 7.
