Rotary Club Competitions 2019-20

Dear Parent/Carer,

Many of you will be aware that the Rotary Club has an active group in Towcester and they run various local competitions for young people, which then feed in to a district competition. The school has entered pupils in the past with some successful outcomes at local level and beyond.

We are keen to take part in the forthcoming competitions. Your child has shown an interest in the following competition:

Young Film Maker

A competition for all age groups from 7 to 17 years. Children currently in Years 3 to 6 can enter the Junior section. To produce a film of five minutes based upon the theme, **'Through My Eyes'**. Mobile phones may be used in addition to cameras. To accompany the film, each entrant must provide a brief sentence describing the relationship to the theme.

The competition aims to encourage young people to:

- experiment with filmmaking
- use digital and/or traditional methods of filmmaking
- demonstrate interpretation of the topic
- express ideas through the various media of filmmaking

Please Note: Films which incorporate images of people under 18 years old must be accompanied by written permission from the parent, guardian, or carer.

Judges will consider technical merit; content and composition; imagination and style.

Entries must be submitted by the school to the local organisers by Friday 28th February, so we would ask that the enclosed entry form is completed and returned with your child's entry to the school office **by Friday 14th February**.

If you or your child have any questions about this competition or if your child would like some help from a member of staff in terms of ideas or resources, please do ask.

Yours sincerely,

Mrs Sue Marsh
