Dear Parents/Carers,

### **Times Tables Rock Stars**

We are very excited to introduce Times Tables Rock Stars to Greens Norton Primary School, which is a fantastic resource to help your child learn and develop their times table knowledge. It is for all pupils from Year 2 to Year 6. Initially we are launching this with Herons and Kingfishers classes, but will follow shortly with Kestrels and Magpies classes.

Times tables are essential and underpin many different aspects of mathematical concepts. In order for children to make progress throughout the Maths curriculum, it is vital that they know the times table facts. As well as this, children are now assessed on their times table knowledge. Children are expected to complete a National test at the end of Year 4.

When it comes to times tables, speed and accuracy are fundamental. Times Tables Rock Stars is a fun and challenging programme designed to help pupils master the times tables.

Your child's teacher has introduced your child to how Times Tables Rock Stars works. The programme will be used on a weekly basis. It can be accessed online via the web address <https://trockstars.com/home> and is downloadable as an App. Your child will be given their own login and password so they can practise at home.

If you have any questions about Times Tables Rock Stars, please do not hesitate to ask your child's teacher.

Yours sincerely

Miss Emily Whitwood
