

# HARVEST DONATIONS

Please help us to help others.

As part of our harvest celebrations we are collecting non-perishable foods e.g. tins and packets to give to the Driffield Foodbank. These will

be displayed in the hall to be referred to during Mrs Laird and Mrs Dixon's harvest assembly next week.

If all staff and pupils brought just one item, we would have almost 600 items to help families who are struggling. That would be AMAZING!!

**Your help would be much appreciated. Please send in your donations the school office.**

*Please note: this year's Harvest assembly is not being led by year 3 pupils, as has happened previously. Parents of year 3 pupils will be invited in to school for an assembly/performance later in the school year. Thanks.*
