

Accessibility

Disabled parking is very near to the entrance door.

During school hours our entrance gates are open. If you would like assistance please phone Reception on 01535 605272.

Our entrance door has a sensor so opens automatically. To exit the building there is a push button.

A hearing loop is available at the Reception counter.

The building is on 3 levels with lifts available to all floors and has an accessible toilet and Baby Change unit.

The outdoor area has level access.

Our brochures are all available in large print on request.

We have a buggy store for those parents who walk to the school

Security

To ensure the safety and security of children and visitors we have a security system to control entry and exit to areas of the building. If you are a visitor you will be asked to sign in and identify yourself.

Railings secure the outdoor area.

We also have CCTV in place to help us monitor the exterior of the building.

Safety in the Car Park

At all times we ask parents to be vigilant in the car park, to hold their child's hand.

Car drivers are asked to use extreme caution in the car park and to be on the lookout for pedestrians especially children.

Parking

Parents are requested to not block the main gates by parking in front of the gates. Access is required at all times
